Vera Vine, Ph.D.

Curriculum Vitae | February 2024

Department of Psychology, Queen's University
Humphrey Hall 346, 62 Arch St., Kingston, Ontario K7L 3N6, Canada
email: vera.vine@queensu.ca | office: 613-533-6462 | lab: www.embodylab.org

POSITIONS

2021 –	Assistant Professor, Department of Psychology, Queen's University *(Maternity leave 2021-2022)*
2019 –2021	Postdoctoral Associate Department of Psychiatry, University of Pittsburgh School of Medicine
2016 –2019	T32 NIMH Postdoctoral Fellow Department of Psychiatry, University of Pittsburgh School of Medicine

LICENSURE

2019 –	Licensed Psychologist, Commonwealth of Pennsylvania (#PS018933)

ACADEMIC HISTORY

2009 – 2016	Ph.D., Clinical Psychology, Yale University Advisors: Susan Nolen-Hoeksema (decd. 2013), John Dovidio (2013-2016) *(Maternity leave 8 weeks in 2014)*
2015 – 2016	Predoctoral Clinical Internship, VA Los Angeles Healthcare System
2011 – 2012	Master of Philosophy, Yale University
2009 – 2011	Master of Science, Yale University
2001 – 2006	Bachelor of Arts, Harvard University

HONORS AND AWARDS

2023	Nominee, Psychology Student Council Undergraduate Teaching Award, Queen's University
2023	Nominee, Ban Righ Foundation Inspiring Women Award, Queen's University
2018	Alies Muskin Career Development and Leadership Award, Anxiety and Depression Association of America (ADAA)
2015 – 2016	Dissertation Fellowship, Yale University
2014	William Kessen Teaching Award, Department of Psychology, Yale University
2013 – 2015	Arthur K. Watson Fellowship, Yale University
2012 – 2013	Theodore F. and Margaret G. Myers Scholarship, Yale University
2012	Associate in Teaching Award, Graduate School of Arts & Sciences, Yale University

2012	Funded Participant, International Summer School for the Affective Sciences, Swiss Center for Affective Sciences, University of Geneva
2012	Travel Fellowship, Yale University
2011 – 2012	Theodore F. and Margaret G. Myers Scholarship, Yale University
2009 – 2010	Theodore F. and Margaret G. Myers Scholarship, Yale University

GRANT SUPPORT

Insight Development Grant (PI) 2023 – 2025
Social Sciences and Humanities Research Council, Canada
Effects of childhood adversity on adolescents' interoception and emotion awareness ($74,558 CAD)

YIG 1-178-19 Young Investigator Innovation Grant (PI) 2023 – 2025
American Foundation for Suicide Prevention
Investigating an interoceptive model of adolescent suicidal thoughts and behaviors ($90,000 USD)

Ontario Research Fund – Small Infrastructure Grant (PI) 2023 – 2028
Province of Ontario
Interoception as a mechanism of adolescents' emotional development ($141,416 CAD)

Infrastructure Operating Grant (PI) 2023 – 2028
Canada Foundation for Innovation
Interoception as a mechanism of adolescents' emotional development ($42,424 CAD)

John R. Evans Leaders Fund Grant (PI) 2023 – 2028
Canada Foundation for Innovation
Interoception as a mechanism of adolescents' emotional development ($141,416 CAD)

Equity, Diversity, Inclusion, Indigenization Fund (PI) 2023 – 2024
Queen's University
Developing open-access film stimuli for inclusive suicide prevention science ($3,500 CAD)

Social Sciences and Humanities Research Council Institutional Grant (PI) 2023 – 2024
Queen's University
In my own words: Improving ecological validity in emotion awareness measurement ($7,000 CAD)

Research Initiation Grant (PI) 2021 – 2024
Faculty of Arts & Sciences, Queen's University
Biopsychosocial mechanisms of emotional development ($100,000 CAD)

R01 MH111758 (Postdoctoral Associate) 2019 – 2021
National Institute of Mental Health
Preschooler emotion regulation in the context of maternal borderline personality disorder

T32 MH018951 Clinical Research Training in Child Psychiatry (Postdoctoral Fellow) 2016 – 2019
National Institute of Mental Health
Child and adolescent mental health research

Supplemental Graduate Research Funding Grants (PI) 2010, 2013, 2014
Department of Psychology, Yale University
Assorted data collection studies (*$2400 USD over 3 awards*)

PUBLICATIONS

*Trainees under my supervision at time of work: *graduate, **undergraduate*
°Co-first and corresponding author, with full supervisory responsibility

Manuscripts Under Review

Zalewski, M, Byrd, A. L., **Vine, V.**, Hernandez, A., & Stepp, S. D. (Invited resubmission under review). Maternal history of suicidal thoughts and behaviors predicts preschooler emotional and behavioral problems.

Byrd, A. L., **Vine, V.**, Vanwoerden, S., Jennings, J. R., & Stepp, S. D. (Under review). Prolonged recovery following parent-child conflict predicts reactive aggression in daily life.

DeLap, G. A. L., **Vine, V.**, Santee, A. C., & Starr, L. R. (Under review). Putting it into words: Emotion vocabularies, emotion differentiation and depression among adolescents.

*Thambipillai, P., °**Vine, V.**, *Ilyaz E., Vanwoerden, S., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (Under review). Parenting self-efficacy and autonomic engagement in three developmentally relevant interaction contexts with young adolescents.

Vanwoerden, S., **Vine, V.**, Byrd, A. L., Altman, K., Jennings, J. R., & Stepp, S. D. (Under review). Investigating multimodal affective responses associated with youth behavior during parent-child conflict discussions.

Vine, V., **Abbatangelo, L., Vanworden, S., Byrd, A. L., *Thambipillai, P., Jennings, J. R., & Stepp, S. D. (Under review). Untangling effort mobilization associated with anhedonia and anxiety using the cardiac pre-ejection period.

PRESENTATIONS *Trainees under my supervision at time of work: *graduate, **undergraduate*

Chaired Conference

Vine, V. (2022). *Body-Brain Interactions, Wellbeing, and Society.* (Keynote and speakers: Sarah Garfinkel, Manos Tsakiris, Andy Arnold, Laura Barca, Giada Dirupo, Bridget Callaghan, Mariana von Mohr). Day-long preconference organized for the Society for Affective Science.

Symposia Chaired

Vine, V. (2023). *Advances and novel measurement approaches in the study of cognitive-affective predictors of suicide risk.* (Panelists: Beverlin Rosario-Williams, Adam Jaroszewski, Vera Vine, Lily Martin, Jeremy Stewart). Symposium presented at the 2nd annual Suicide Research Symposium (virtual meeting).

Vine, V. (2022). *Using multivariate physiological approaches to understand interpersonal processes in suicide risk.* (Panelists: Lori N. Scott, Vera Vine, Johnny Berona, David Klonsky). Symposium presented at the 1st annual Suicide Research Symposium (virtual meeting).

Vine, V. (2021). *New constructs in developmental affect dysregulation: Capturing transdiagnostic and symptom-specific risk for psychopathology.* (Panelists: Kirsten E. Gilbert, Shimrit Daches, Amy L. Byrd, Vera Vine). Symposium to be presented at the 2021 annual meeting North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Vine, V. (2018). *Multimodal measurement of emotion and emotion regulation: Opportunities for enhancing clinical science and treatment.* (Panelists: Ann Kring, Douglas S. Mennin, Kim T. Gratz, Allison Troy, Vera Vine). Symposium presented at the 52nd annual meeting of the Association for Behavioral and Cognitive Therapy, Washington, DC.

Vine, V. (2017). *Psychophysiology beyond fear: What other contexts teach us about (dys)functions of emotional arousal.* (Panelists: Karen Quigley, Charlotte Heleniak, Shimrit Daches, Kirsten Gilbert, Jorge Barazza). Symposium presented at the 29th annual meeting of the Association for Psychological Science, Boston, MA.

Vine, V. (2012). *Why people ruminate: False rewards and the functions of rumination.* (Panelists: Susan Nolen-Hoeksema, Tanya B. Tran, Kimberly A. Arditte, Nicholas J. Moberly, Amanda J. Rose, Vera Vine). Symposium presented at the 46th annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

Vine, V. (2011). *Getting clear about emotional clarity: Construct, measurement, and implications for emotion regulation and psychopathology.* (Panelists: Lizabeth Roemer, Matthew T. Boden, Todd Kashdan, Emre Demiralp, Vera Vine). Symposium presented at the 45th annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

Conference Talks

*Ilyaz, E., **Vine, V.**, Thambipillai, P., Byrd, A.L., Jennings, J.R., & Stepp, S.D. (Accepted, forthcoming). *Understanding emotional ties: Investigating anger concordance in the intergenerational transmission of borderline personality disorder.* Flash talk submitted to the 85th Annual National Convention of the Canadian Psychological Association, Ottawa, ON.

*Thambipillai, P., **Vine, V.**, Ilyaz, E., Vanwoerden, S., Byrd, A.L., Jennings, J.R., & Stepp, S.D. (Accepted, forthcoming). *Parenting self-efficacy and dyadic autonomic responses in three parenting contexts*. Flash talk submitted to the 85th Annual National Convention of the Canadian Psychological Association, Ottawa, ON.

DeLap, G. A. L., **Vine, V.**, & Starr, L. R. (March 2024). *The relationships between natural emotion vocabularies, emotion differentiation, and depressive symptoms in an adolescent sample.* Flash talk presented at the 11th Annual Conference of The Society for Affective Science, New Orleans, LA.

*Micanovic, N., **Vine, V.**, Seymour, N. E., & Victor, S. (November, 2023). *Under the same umbrella: Differences in depression, anxiety, and stress experiences between sexual and gender minority groups.* Talk presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

Vine, V., Byrd, A. L., Vanwoerden, S., Victor, S., Jennings, J. R., & Stepp, S. D. (November, 2023). *Suicidal thoughts and behaviors and youths' multimodal emotion responses during parent-child interactions.* In R. McDonald (Chair). Emotion dysregulation as a transdiagnostic predictor of mental health across clinical populations. Talk presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

**Vine, V., ****Palmer, M. K., **Zou, S., & **Battad, K. (2023). *Introducing a novel set of suicide-related film clips for inclusive, affective suicide research.* In V. Vine (Chair). Advances and novel measurement approaches in the study of cognitive-affective predictors of suicide risk. Talk presented at the 2nd annual Suicide Research Symposium (virtual meeting).

Vanwoerden, S., Byrd, A. L., **Vine, V.**, Zalewski, M., & Stepp, S. (2023). *A state space grid analysis of mother-preschooler interactions in relation to maternal borderline personality disorder.* Talk presented at the 2023 meeting of the North American Society for the Study of Personality Disorders, Boston, MA.

Vine, V., Byrd, A. L., Trieu, T. H., Vanwoerden, S., Victor, S., Jennings, J. R., & Stepp, S. D. (2022). *Young adolescents' multimodal affective responses to interactions with parents as predictors of elevated suicide risk.* In V. Vine (Chair). Using multivariate physiological approaches to understand interpersonal processes in suicide risk. Talk presented at the first annual Suicide Research Symposium (virtual meeting).

Vine, V., Victor, S. E., *Mohr, H., Byrd, A. L., & Stepp, S. D. (2021). *Am I really here? Dissociation in daily life and adolescent suicide risk*. In L. Scott (Chair). Dynamic risk factors for suicidal thoughts and behaviors in youth and young adults. Talk presented at the annual meeting of the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Vine, V., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (2021). *Bridging body and mind in emotion experience: Individual differences in cardiac-subjective affect concordance and psychopathology*. In V. Vine (Chair). New constructs in developmental affect dysregulation: Capturing transdiagnostic and symptom-specific risk for psychopathology. Talk presented at the 2021 annual meeting of the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Byrd, A. L., **Vine, V.**, Waller, R., Wagner, N., Perlstein, S., & Stepp, S. D. (2021) *Understanding the disconnect between physiological arousal and subjective experience among youth with externalizing problems and callous-unemotional traits.* In V. Vine (Chair). New constructs in developmental affect dysregulation: Capturing transdiagnostic and symptom-specific risk for psychopathology. Talk presented at the 2021 annual meeting of the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Vine, V., Byrd, A. L., Scott, L. N., Beeney, J. E., & Stepp, S. D. (2021). *The structure of psychopathology in clinically referred early adolescents.* In J. Peters (Chair). Modeling personality pathology: Novel applications of quantitative methods. Talk presented at the 2021 North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Daches, S., **Vine, V.**, Yaroslavsky, I., George, C., Jennings, J. R., & Kovacs, M. (2021). *Physiological activation during the processing of dysphoric affect by youths at high and low familial risk for depression.* In V. Vine (Chair). New constructs in developmental affect dysregulation: Capturing transdiagnostic and symptom-specific risk for psychopathology. Talk presented at the 2021 annual meeting of the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Boyd, R. L., **Vine, V.**, & Pennebaker, J. P. (Accepted; canceled in 2020 due to COVID-19). *Feelings in too many words: Rich emotion vocabularies as markers of distress.* Talk accepted to the 19th general meeting of the European Association of Social Psychology, Kraków, Poland.

Scott, L. N., Beeney, J. E., Byrd, A. L., **Vine, V.**, & Stepp, S. D. (2019). *Parent-child affective dynamics in daily life: A dyadic ecological momentary assessment study*. In P. Santangelo (Chair). Insights from the outside: using ambulatory assessment to examine patients' symptomatology in everyday life. Talk

presented at the 16th annual meeting of the International Society for the Study of Personality Disorders, Vancouver, Canada.

Vine, V., Byrd, A. L., *Junge, A., & Stepp, S. D. (2019). *That empty feeling: Adolescent suicidality and blunted self-perception in daily life.* In L. Starr (Chair). Daily emotional dynamics and transdiagnostic outcomes: New research leveraging ecological momentary assessment in psychopathology research. Talk to be presented at the 31st annual meeting of the Association for Psychological Science, Washington, DC.

Vine, V., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (2018). *Emotional reactivity profiles, parental behaviors, and transdiagnostic indicators of risk in a clinical sample of adolescents: A multi-method, person-centered approach.* In V. Vine (Chair). Multimodal measurement of emotion and emotion regulation: Opportunities for enhancing clinical science and treatment. Talk presented at the 52nd annual meeting of the Association for Behavioral and Cognitive Therapy, Washington, DC.

Vine, V. (2018). *Effects of inducing rumination vs. mindfulness on emotional clarity.* In A. Borders (Chair). Innovative and brief methods to decrease rumination and associated outcomes. Talk presented at the 52nd annual meeting of the Association for Behavioral and Cognitive Therapy, Washington, DC.

Byrd, A. L., **Vine, V.**, Jennings, J. R., & Stepp, S. D. (2018). *Emotional reactivity during parent-child conflict as a predictor of dysregulated behaviors in daily life.* In E. C. Shelleby (Chair). Promoting equity and decreasing disparities through optimizing prevention science. Talk presented at the 26th annual meeting of the Society for Prevention Research, Washington, DC.

Byrd, A. L., **Vine, V.**, Jennings, J. R., & Stepp, S. D. (2018*). Psychophysiological assessment of emotional reactivity during parent-child conflict as a predictor of dysregulated behaviors in daily life: Parental response to emotion as a potential mediator.* Talk presented at the annual meeting of the North American Society for the Study of Personality Disorders, New York, NY.

Vine, V., & Marroquín, B. M. (2018). *When does emotional clarity matter for emotion regulation and depression? The moderating role of trait affect intensity.* In K. E. Gilbert (Chair). Incorporating meta-emotional processes into emotion regulation-depression relationships. Talk presented at the annual meeting of the Anxiety and Depression Association of America, Washington, DC.

Daches, S., **Vine, V.**, George, C., Yaroslavsky, I., & Kovacs, M. (2017). *Sympathetic arousal during emotional processing among youth at high and low risk for depression.* In V. Vine (Chair). Psychophysiology beyond fear: What other contexts teach us about (dys)functions of emotional arousal. Talk presented at the 29th annual meeting of the Association for Psychological Science, Boston, MA.

Hilt, L. & **Vine, V.** (2016). *Interpersonal orientation predicts cortisol response to an acute social-evaluative stressor.* In C. Stroud (Chair). Cortisol as a resource mobilizer: Implications for stress and internalizing disorders. Talk presented at the 50th annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Vine, V. & Pennebaker, J. W. (2015). *Putting feelings in too many words: Rich emotion vocabularies in naturalistic language as a marker of distress.* In K. E. Gilbert & M. E. Quinn (Chairs). From the lab to the real world: How stress impacts emotion regulation and subsequent mental and physical health outcomes. Talk presented at the 49th annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Klemanski, D. H., Desrosiers, A., & **Vine, V.** (2014). *Common and distinct mechanisms of action of mindfulness in anxiety disorders.* In A. Aldao & D. H. Klemanski (Chairs). Emotion regulation

flexibility in anxiety disorders: From basic science to applied interventions. Talk presented at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.

Vine, V., & Nolen-Hoeksema S. (2013). *Recent directions in rumination research in the Nolen-Hoeksema lab: Is difficulty understanding emotions a cause or consequence of rumination?* In J. Garber and R. H. Jacobs (Chairs). Honoring the legacy of Susan Nolen-Hoeksema: Rumination, gender differences, and psychopathology. Talk presented at the 47th annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Vine, V., & Aldao, A. (2013). *Difficulties understanding emotion a transdiagnostic deficit underlying emotion dysregulation, but in disorder-specific ways.* In A. D. Neacsiu (Chair). Transdiagnostic disturbances in emotion regulation: Clarification of models and definitions from a multidisciplinary perspective. Talk presented at the 47th annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Vine, V. (2012). *The reciprocal relationship between emotional clarity and rumination: Is rumination a fruitless pursuit to understand feelings?* In V. Vine (Chair). Why people ruminate: False rewards and the functions of rumination. Talk presented at the 46th annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

Vine, V., & Nolen-Hoeksema, S. (2011). *Trait vs. state emotional clarity and emotion recovery.* In V. Vine (Chair). Getting clear about emotional clarity: Construct, measurement, and implications for emotion regulation and psychopathology. Talk presented at the 45th annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

Invited Lectures

What do you feel? A psycho-bio-social take on self-perception of emotion. Positive Emotion and Psychopathology Lab, University of Colorado, Boulder, September 2023.

Cardiovascular effects in emotion experience and dysregulation. Center for Neuroscience Studies, Queen's University, April 2023.

Knowing what you're feeling: A case for combining multiple units of analysis. Stress, Development, and Psychopathology Mini-Conference, McGill University, June 2022.

Using peripheral psychophysiology in social-emotional and clinical research: Theoretical motivation and basic measures (2-lecture series). Daily Emotions & Relationships Lab, University of Pittsburgh School of Medicine, January 2020.

More is not better: Emerging evidence favoring moderation across domains of emotional awareness and implications for psychopathology. Sackler Centre for Consciousness Studies, University of Sussex, Brighton, UK, July 2019.

Exploring the promise of delivering biofeedback training as a mobile game for adolescent mental health. Cardiovascular Behavioral Medicine Program, Departments of Psychology and Psychiatry, University of Pittsburgh, June 2019.

Depression and baroreflex sensitivity. Behavioral Neuroscience Group, Department of Psychology, University of Pittsburgh, April 2019.

Conference Posters

*Ilyaz, E., **Vine, V.**, Thambipillai, P., Byrd, A.L.,Vanwoerden,S., Jennings, J.R., & Stepp, S.D. (March, 2024).*Untangling the threads: Using emotion concordance to explore the intergenerational transmission of psychopathology.* Poster presented at the 11th Annual Conference of The Society for Affective Science, New Orleans, LA.

DeLap, G. A. L., **Vine, V.**, & Starr, L. R. (March, 2024). *natural emotion vocabularies, emotion differentiation and depressive symptoms in an adolescent sample.* Poster presented at the 11th Annual Conference of The Society for Affective Science, New Orleans, LA.

DeLap, G. A. L., **Vine, V.**, & Starr, L. R. (September, 2023). *The relationship between natural emotion vocabularies, emotion differentiation and depressive symptoms in an adolescent sample.* Poster to be presented at the Emotions 2023 Conference, Tilburg University, The Netherlands.

Abbatangelo, L. E., **Vine, V., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (November, 2023). *Cardiovascular correlates of adolescents' anhedonic symptoms during rewarding parent-child interaction.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Ilyaz, E., **Vine, V.**, *Thambipillai, P., Byrd, A. L., Vanwoerden, S., Jennings, J. R., & Stepp, S. D. (November, 2023). *Using response surface modeling to understand subjective and physiological anger concordance in borderline personality disorder.* Poster to be presented to Personality Disorders Special Interest Group at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Ilyaz, E., **Vine, V.**, *Thambipillai, P., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (November, 2023). *Concordance of mothers' subjective and physiological anger arousal and the link between maternal and child psychopathology.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Micanovic, N., Marroquín, B., & **Vine, V.** (November, 2023). *Adapting to loneliness: Changes in the structure and relationship between social distancing behavior and loneliness during the COVID-19 pandemic.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Micanovic, N., **Vine, V.**, Seymour, N. E., & Victor, S. (November, 2023). *The structure of distress: Understanding the relationship between depression, anxiety, and stress in trans and non-binary individuals.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

Palmer, M. K., **Vine, V., *Thambipillai, P., Byrd, A. L., & Stepp, S. D. (November, 2023). *Racialized conceptualizations of emotion socialization: Black adolescents' perceptions of their parents and links with parental emotion socialization.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

Palmer, M. K., **Battad, K., *Micanovic, N., *Thambipillai, P., *Ilyaz, E., & **Vine, V. (November, 2023). *Development and initial validation of a novel stimulus set of inclusive, suicide-related films: Effects of racially minoritized identities on affective responding to suicide messaging*. Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Thambipillai, P. **Vine, V.**, *Ilyaz, E., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (November, 2023). *Parenting self-efficacy as embodied cognition: Interactive effects of parent and child arousal on parenting confidence.* Poster to be presented at the 57th annual meeting of the Association for Behavioral and Cognitive Therapies, Seattle, WA.

*Ilyaz, E., **Vine V.**, *Thambipillai, P., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (July, 2023). *Parental emotion concordance in the context of parent and child psychopathology.* Poster presented at the Journal of Clinical Child and Adolescent Psychology 2023 Future Directions Forum, Regina, SK, Canada.

*Thambipillai, P., **Vine V.**, *Ilyaz, E., Byrd, A. L., Jennings, J. R., & Stepp, S. D. (July, 2023). *Parenting self-efficacy and the interaction of parent and child affective arousal.* Poster presented at the Journal of Clinical Child and Adolescent Psychology 2023 Future Directions Forum, Regina, SK, Canada.

Battad, K., **Desai, D., **Palmer, M. K., **Zou, S., *Thambipillai, P. A., *Ilyaz, E., & **Vine, V. (2023). *Development and validation of novel suicide film stimuli for emotion research*. Poster presented at the 2nd annual Suicide Research Symposium (virtual meeting).

Desai, D., **Battad, K., **Palmer, M. K., **Zou, S., *Ilyaz, E., *Thambipillai, P. A., & **Vine, V. (2023). *Suicide prevention messaging: The association of film clip characteristics with perceived likelihood of suicide outcomes*. Poster presented at the 2nd annual Suicide Research Symposium (virtual meeting).

Palmer, M. K., **Desai, D., **Battad, K., **Zou, S., *Thambipillai, P. A., *Ilyaz, E., & **Vine, V. (2023). *Effects of racially minoritized identities on emotional response to suicide-related films*. Poster presented at the 2nd annual Suicide Research Symposium (virtual meeting).

Frigoletto, O.A., Byrd, A.L., **Vine, V.**, Vanwoerden, S., Zalewski, M., & D. Stepp, S. D. (2022). *Internalizing and externalizing problems among at-risk preschoolers: The mediating role of maternal invalidation and prospective treatment effects.* Poster presented at the 27th annual meeting of the International Society for the Improvement of Dialectical Behavior Therapy (virtual meeting).

Vanwoerden, S., **Vine, V.**, Byrd, A. L., Jennings, R., & Stepp, S. D. (2021). *Cardiac autonomic balance and regulatory capacity in youth interact with parents' supportive and non-supportive responses to predict borderline personality disorder symptoms.* Poster presented online at the 35th annual meeting of the Society for Research in Psychopathology (virtual meeting).

Mohr, H., **Vine, V., Byrd, A. L., & Stepp, S. D. (2019). *The structure of psychopathology in emotionally dysregulated adolescents.* Poster presented at the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Cenkner, D., Victor, S. E., Beeney, J. E., Byrd, A. L., Scott, L. N., **Vine, V.**, & Stepp, S. D. (2019). *Adolescents' willingness to disclose suicidality: Effects of internalizing, externalizing, and borderline personality disorders*. Poster presented at the North American Society for the Study of Personality Disorders, Pittsburgh, PA.

Scott, L. E., Young, K., **Vine, V., Ladouceur, C. D., & Bylsma, L. M. (2019). *Stuck on a feeling: Spontaneous recall of positive and negative daily events among children at high vs. low familial risk for depression.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.

Cenkner, D., **Vine, V., Byrd, A. L., Hipwell, A., Keenan, K., & Stepp, S. (2018). *Interpersonal mechanisms mediating the development of adult depression among youth exposed to childhood trauma.* Poster

presented at the annual meeting of the North American Society for the Study of Personality Disorders, New York, NY.

Vine, V., Daches, S., George, C., Jennings, J. R., & Kovacs, M. (2018). *Cognitive and physiological constraints on hedonic responding among never-depressed youth at low and high risk for depression.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Washington, DC.

Vine, V., & Pennebaker, J. W. (2016). *Are bigger emotion vocabularies better for you? Individual difference correlates of emotion language variability.* Poster presented at the 17th annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

Desrosiers, A., **Vine, V.**, Curtiss, J., & Klemanski, D. (2014). *Mindfulness facets interact to influence cognitive emotion regulation strategies and depression and anxiety symptoms: A conditional process model.* Poster presented at the 48th annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Petrie, S., **Vine, V., & Nolen-Hoeksema, S. (2014). *The relationship between emotional awareness and adaptive emotion regulation depends on complexity of situational context.* Poster presented at the 26th annual meeting of the Association for Psychological Science, San Francisco, CA.

Malin, J., **Vine, V.**, Stanton, A., Cannava, K., Bodie, G., & Pennebaker, J. W. (2014). *Jane Eyre versus a 6-minute conversation about baseball: Common dimensions of narrative.* Poster presented at the 15th annual meeting the Society for Personality and Social Psychology, Austin, TX.

Vine, V., & Aldao, A. (2013). *Low emotional clarity: Transdiagnostic deficit with disorder-specific paths through emotion regulation.* Poster presented at the 25th annual meeting of the Association for Psychological Science, Washington, DC.

Balvaneda, B., **Vine, V., & Nolen-Hoeksema, S. (2012). *Altering beliefs about emotion expression: Effects on the experience and facial expression of emotion*. Poster presented at the 46th annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

Bernstein, E., **Vine, V., & Nolen-Hoeksema, S. (2012). *Emotion differentiation facilitates generation and selection of adaptive emotion regulation strategies*. Poster presented at the 46th annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

Vine, V., Bernstein, E., & Nolen-Hoeksema, S. (2012). *Differentiating emotions vs. feeling clear about them: Evidence of interactive effects on depression symptoms.* Poster presented at the 26th annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

Desrosiers, A., **Vine, V.**, & Nolen-Hoeksema, S. (2011). *Mindfulness in depression and anxiety: Common and distinct mechanisms of action.* Poster presented at the 1st annual meeting of the Affective Sciences Institute, Boston, MA.

Wallace S. J., Marroquín, B., **Vine, V., & Nolen-Hoeksema, S. (2011). *Emotional clarity moderates the relationship between affect intensity and depressive symptoms*. Poster presented at the 45th annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

Vine, V., & Nolen-Hoeksema, S. (2011). *Trait vs. state emotional clarity: The moderating role of stimulus complexity*. Poster presented at the 23rd annual meeting of the Association for Psychological Science, Washington, DC.

Vine, V., Suvak, M. K., Liverant, G. I., Salters-Pedneault, K., Papa, A., & Litz, B. T. (2008). *Depression, anxiety, and emotional responding in Vietnam combat veterans.* Poster presented at the 42nd annual meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.

Steenkamp, M., Salters-Pedneault, K., Conoscenti, L., Fuse, T., **Vine, V.**, & Litz, B. (2008). *Predictors of adjustment to sexual assault*. Poster presented at the 24th annual meeting of the International Society for Traumatic Stress Studies, Chicago, IL.

Vine, V., Papa, A., & Bonanno, G. (2008). *Guilt and social process variables interact to predict longitudinal bereavement outcomes.* Poster presented at the 20th annual meeting of the Association for Psychological Science, Chicago, IL.

Gentes, E. L., **Vine, V.**, Parker, H., McNally, R. J., & Litz, B. T. (2007). *Shame and guilt in suicide survivors: Relations with measures of psychopathology.* Poster presented at the 41st annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Gentes, E. L., **Vine, V.**, Suvak, M., Yen, S., Shea, T., & Litz, B. T. (2007). *Borderline personality disorder and emotional processing: Self-report ratings of valence and arousal in response to standardized images.* Poster presented at the 41st annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Vine, V., Salters-Pedneault, K., Holowka, D. W., & Litz, B. T. (2007). *Cognitive inflexibility and depression: Two mediation models.* Poster presented at the 41st annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Vine, V., Salters-Pedneault, K., Mills, M. A., Park, C., & Litz, B. T. (2007). *A preliminary examination of the Experience of Intrusions Scale*. Poster presented at the 41st annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Vine, V., Parker, H. A., McNally, R. J., & Litz, B. T. (2007). *Cognitive flexibility relates to emotional adjustment to loss*. Poster presented at the 19th annual meeting of the Association for Psychological Science, Washington, DC.

CLINICAL EXPERIENCE

Positions

2019 – 2021 Diagnostic assessment supervisor, University of Pittsburgh School of Medicine, *"Studies in Treatment of Emotion & Affect Dysregulation in Youth"* (PI: Stephanie Stepp)

2018 – 2019 Dialectical Behavior Therapy (DBT) protocol skills trainer, University of Pittsburgh School of Medicine, *"Studies in Treatment of Emotion & Affect Dysregulation in Youth"* (PI: Stephanie Stepp)

2015 – 2016 Clinical Psychology Intern, VA Los Angeles Healthcare System, Los Angeles, CA
Rotations: *Health Psychology; Primary Care Integration; Women's Psychology; Domiciliary Residential Rehabilitation and Treatment; Forensic Psychology; Addictive Behaviors Clinic and Intensive Outpatient Program*

2013 Student Director, Yale Center for Anxiety and Mood Disorders, Yale University

2012 – 2013 Outpatient clinician, National Center for PTSD, VA Connecticut Healthcare System

2011 – 2012 Trauma therapist, Posttraumatic Stress Center, New Haven, CT

2010 – 2013 Clinician and diagnostic assessor, Yale Center for Anxiety and Mood Disorders, New Haven, CT

2011 – 2012 Dialectical Behavior Therapy for Children (DBT-C) protocol therapist, Yale University School of Medicine, *"Dialectical Behavior Therapy for Children with Suicidality/Self-Harm"* (PI: Francheska Perepletchikova)

2010 – 2011 Emotion Regulation Therapy (ERT) protocol therapist, Yale University, *"Emotion Regulation Therapy for Generalized Anxiety Disorder"* (PIs: Douglas S. Mennin, David Fresco)

2008 – 2009 Diagnostic assessor, University of Texas at Austin (PI: Christopher Beevers)

Specialized Clinical Training

2012 Cognitive Processing Therapy (CPT) *(38 hrs)*
VISN 1 Regional CPT Workshop, VA Connecticut Healthcare System
VA National CPT Implementation Program

2011 Fundamentals of Dialectical Behavior Therapy (DBT) and its Adaptation for Children (DBT-C) *(100 hrs; adherence certification)*
Yale University School of Medicine

TEACHING

Courses (Queen's)

2023 – Multicultural Clinical Practice (PSYC 922; ~14 graduate students)
2022 – Affective Psychophysiology (PSYC 435; ~25 undergraduates)

Teaching Fellowships (Yale)

2013 Introduction to Diagnostic Assessment (graduate-level), Yale University
Course instructor: David Klemanski, Psy.D.

2013 Mood and Anxiety Disorders Practicum (graduate-level), Yale University
Course instructor: Mary O'Brien, Ph.D.

2013 Abnormal Psychology, Yale University
Course instructor: David Klemanski, Psy.D.
Guest lecture: OEF/OIF combat experience and posttraumatic stress disorder

2012 Psychology and the Law, Yale University
Course instructor: Kristi Lockhart, Ph.D.
Guest lecture: Writing mechanics in psychology

2011 Introduction to Psychology, Yale University
Course instructor: Marvin Chun, Ph.D.

2011 Psychology, Biology, and Politics of Food, Yale University
Course instructor: Kelly Brownell, Ph.D.

2010 Abnormal Psychology, Yale University
Course instructor: Susan Nolen-Hoeksema, Ph.D.
Guest lecture: Diagnosis and biological underpinnings of mood disorders

Research Advising

Doctoral Thesis Committees (Queen's – Psychology unless noted otherwise)

2024 – Samantha Shang, *Multicultural influences on emotional self-disclosure in parent-youth dyads*
2023 – Lily Martin, *Interpersonal stress and adolescents' suicide ideation*
2023 – Madelaine Gravelle, *Biopsychosocial approaches to wellbeing of Lyme disease patients*
2022 – Trinda Penniston, *Wellbeing and communication about pleasure and pain among Black women*

Master's Thesis Committees (Queen's – Psychology unless noted otherwise)

2022 – 2023 Julia Davidson, *Interpersonal emotion regulation, social context, and depressive symptoms*
Krista Jones, *Relationship between sleep and pain in inflammatory bowel disease*
Lily Martin, *Predictors of affect and attention toward suicide images*
Madelaine Gravelle, *Perceived believability and biopsychosocial profiles of Lyme disease*

Master's Thesis Examination (Queen's – Psychology unless noted otherwise)

2023 Matthew Brooks (Nursing), *Appropriateness of neurofeedback for patients with early psychosis*

Bachelor's Theses Supervised (Queen's – Psychology unless noted otherwise)

2023 – 2024 Maya Haklai, *Adverse childhood experiences and cardiac orienting to emotional faces*
Colin McDermott, *Loneliness and adaptation to social distancing during COVID-19*
Caiden Royce, *Testing suicide ideation-to-action frameworks using natural language processing*

2022 – 2023 Laura Abbatangelo, *Cardiovascular correlates of adolescents' anhedonic symptoms*
Jason Burns, *Preschoolers' cardiovascular responses to mothers with borderline personality*
Regional winner for USA and Canada, 2023 Global Undergraduate Awards
Dharmayu Desai (Health Science), *Characteristics of suicide messaging and suicide outcomes*

Bachelor's Theses Supervised (Yale – Psychology)

2013 – 2014 Samuel Petrie, *Situational context as a moderator of adaptiveness of emotion awareness*

2011 – 2012 Bryan Balvaneda, *Manipulating beliefs about emotion expression*
Emily Bernstein, *Effects of emotion labeling on emotion regulation*

Directed Research Students Supervised (Queen's – Psychology)

Elizabeth Pelletier (fall 2023)
Peja Middaugh (fall 2023)
Logan Goldring (winter 2023)
Talia Buckhalter (winter 2023, fall 2023)
Katelyn Battad (fall 2022, winter 2023)

Yifan Chen (fall 2022, winter 2023)
Dharmayu Desai (winter 2022)
Katherine Gallant (winter 2022)
Shira Greenstein (winter 2022, fall 2023)
Matthew Katzman (winter 2022)
Jackie Wang (winter 2022)
Emma Wilkinson (winter 2022)

Directed Research Students Supervised (Pittsburgh – Psychology)

Emily Fogel (spring, 2020)
Christina Potenza (spring, 2020)
Madison Sullivan (spring, 2020)
Stephanie Bisignano (spring, 2020)
Joslyn Lapinski (spring, 2020)
Tess McConnell (spring, 2020)
Raj Shah (spring, 2020)
Madeliene Wilson (spring, 2020)

Directed Research Students Supervised (Yale – Psychology)

Liliana Cousins (spring 2013)
Samuel Petrie (fall 2013, spring 2013)
Bert Geng (fall 2012)
Stephanie Kent (spring 2011)
Kevin Moore (spring 2011)
Emily Bernstein (spring 2011)
Bryan Balvaneda (spring 2011)

PROFESSIONAL SERVICE AND AFFILIATIONS

University Service

2023 – 2024 Written Comprehensive Exam Committee, Clinical Area, Psychology Department, Queen's
2023 – 2024 Oral Comprehensive Exam Committee, Clinical Area, Psychology Department, Queen's
2023 – 2024 Merit Committee, Psychology Department, Queen's
2022 – Equity, Diversity, and Inclusion Committee, Psychology Department, Queen's

Service to the Profession

2023 – Fundraising Committee, Society for Affective Science (SAS)
