An employee as defined in Item 1 below, who has a spouse/partner and any dependent children (under the age of 25 years), is eligible for tuition support payments through this plan.

1. A member of CUPE Local 254 who has been continuously employed for at least 1 year and who holds a current continuing appointment, a current continuing term appointment or current term appointment, or is on a leave from one of those appointments in accordance with Articles 15.03.5, 15.03.6, 15.03.7 or 15.03.8, or is in receipt of Long Term Disability or Workers' Compensation benefits.

### Plan:

- A. The support allowance can be applied to full-time or part-time undergraduate, graduate, and professional programs offered for credit at Queen's University or any other recognized university or college (as defined below). The maximum allowance under this plan is \$4,000 per academic year, per student. If a student has full-time student status the benefit will not be prorated based on course load. In the case of students in a part-time program, the payment will be prorated to the number of courses required for the full-time programs at that institution. Employees who work less than full-time will have their allowance prorated to reflect the same percentage as time worked (e.g. 80% time appointment, 80% of \$4,000).
- B. To be eligible, the student must meet the admission requirements of the program and maintain academic standing at the institution that they are registered.
- C. If an employee as defined in Item I dies while in service to the University his/her spouse is eligible for this benefit for the first 5 years following the death of the member and his/her dependent children are eligible as defined below.
- D. Allowances will be made in two instalments. An initial instalment will be made upon confirmation of registration for the fall term and once the balance of the fund has been calculated and prorated among the number of applications if applicable. This sum shall not exceed \$2,000 per student. A second and final instalment will be made upon confirmation of registration for the winter term and once the balance of the fund has been calculated and prorated among the number of applications if applicable. This sum shall not exceed \$2,000 per student. Students will be required to provide proof of continuing academic standing at their institution for all academic terms.
- E. Students who are attending an institution where the first term begins during Queen's winter term will receive the calculated amount for the first instalment (to a maximum of \$2,000) for this term. The amount paid for the second term would be the amount calculated for the Queen's winter term (up to a maximum of \$2,000) to be paid during the next Queen's fall term. These applications should be submitted manually by contacting Human Resources directly.
- F. Claimants will provide any and all documentation as required to administer this plan.

- G. There are a number of similar plans with different employee groups at the University. If both parents are employees of Queen's University and each parent is covered under this plan or under a separate plan, only 1 claim per dependent/child will be reimbursed by the University.
- H. All documentation must be received by the Office of the University Registrar by November 30 for the fall term and by March 31 for the winter term.
- I. Human Resources will provide a preliminary summary report to the President or designate, CUPE Local 254 by April 10th, detailing the names of the applicants, the amounts approved, and in the case of a rejected application, the basis upon which the application was denied.
- J. This is a taxable benefit.
- K. The nominal value of the fund established for this plan is \$60,000.00. Effective July 1, 2011 the nominal value of the fund established for this plan will increase to \$80,000.00. Effective July 1, 2012 the nominal value of the fund established for this plan will increase to \$90,000.00. Effective July 1, 2013 the nominal value of the fund established for this plan will increase to \$100,000.00. In the event that the value of the eligible claims is less than the total amount available then the surplus will be carried forward to the next year or transferred in whole or in part to the Child Care Support Plan (CUPE Local 254) as requested by the President or designate, CUPE Local 254 no later than April 15th. Should the eligible claims exceed the total amount available per year then the fund will be reviewed and amounts will be prorated based on the number of eligible claims.
- L. The funds available for this plan will be reviewed prior to fall and winter payments to ensure appropriate distribution and allocation of all funds.
