		Agriculture . . . . .	43
		Communications and Technology . . . . .	44
		Consumer . . . . .	45
		Energy . . . . .	45
		Environment. . . . .	47
		Fisheries and Maritime . . . . .	48
		Social Policy . . . . .	48
		Transportation. . . . .	50

## P R E F A C E

The crucial significance of federal-provincial relations in almost all aspects of Canadian society, economy and politics is reflected in the burgeoning literature in the field. More than 400 titles have been added in the two years since the previous supplement to the Institute's bibliography was prepared. The 1977 supplement is still available, together with the original bibliography, Federalism and Intergovernmental Relations in Australia, Canada, the United States and Other Countries: a Bibliography, and a 346-page supplement published in 1975.

This edition was prepared by Rob Reynolds, an M.A. student in Political Science, with the able assistance of Ms. Julia Eastman, Institute librarian and research assistant, Dorothy Holman and Patti Candido. We trust it will prove a useful tool.

Richard Simeon  
Director

I FEDERALISM : GENERAL

- BOISVERT, David, Evaluating the Federalist Response. Kingston: Institute of Intergovernmental Relations, September, 1978.
