Dean’s Honour Lists for 2016-17 Academic Regulation 12 –Dean’s Honour Lists explains that the required GPA of 3.50 for the academic year of 2016-17 includes Summer Term 2017. The Faculty of Arts & Science runs the reports for grades at the end of August and it takes a couple weeks beyond that for the rulings to be confirmed and entered on individual transcripts. The rulings of “Dean’s Honour List” or “Dean’s Honour List with Distinction” (top 3% of all students within their program group – see above regulation) will start appearing on transcripts from mid- to late September, so check your transcript after that date.

Such courses designated for pass/fail grading will be referred to as Personal Interest Credits (PICs). Click the above link to learn more about PICs. Deadline: November 3rd, 2017
