UNIVERSITY OF ABERDEEN

One of the oldest psychology departments in Scotland and the UK, combining world leading research and award-winning teaching.

Guaranteed to get your choice of classes
We do not over-recruit in our degree programs. This means that once you are accepted to our degree program, you will never be denied entry to any psychology class for which you have the pre-requisites. In addition, classes are designed and taught by permanent members of our faculty, and our staff-student ratio of better than 1:20 ensures an enhanced learning experience in a supportive environment.

Hands-on research experience
We provide many opportunities to enrich your studies with hands-on research experience from both a voluntary and curricular perspective. Classes at all levels have a laboratory component, and there are also opportunities for voluntary contributions to active research projects with individual faculty members.

Teaching and Research excellence
The Department of Psychology is one of the oldest in the UK and continues to combine world leading research and award-winning teaching, which has allowed us to attract permanent faculty members from other highly regarded universities, including Harvard, Dartmouth, UCLA and Oxford. We take great pride in our teaching and the success of our students and our degrees provide an excellent first step towards numerous careers in professional psychology. Many of our graduates go on to careers in Clinical, Educational, and Forensic Psychology.

Who will teach me at the University of Aberdeen?
At Aberdeen you will be taught by international level researchers. All tenured faculty members contribute to the undergraduate degree teaching and so you will be exposed to world class expertise in all areas of psychology.

Study Abroad
Undergraduate students enrolled at a North American college or university can spend a semester or year at the University of Aberdeen. The University of Aberdeen is fully semesterised, which means you can study at Aberdeen for the Fall Semester (September-December), Spring Semester (January-May) or a full academic year. All our courses within the undergraduate programme up to Level 3 are available to Study Abroad students, so if you want to come for a semester, or two, you can study in the same stimulating environment as our own undergraduate students.

Visit SASS online: We hope that your fall term is off to a great start! Remember that Student Academic Success Services (SASS) is here to help you with any and all aspects of academic writing and learning, whatever your year, discipline or proficiency level. Explore our website, SASS.QUEENSU.CA, for information about booking 1:1 appointments, using peer writing support, finding a helpful workshop, or accessing free learning and writing resources.

**Personal Interest Credit**

In order to encourage students to explore subject matter outside their program of study and to promote interdisciplinary study, all upper-year Arts and Science students will be permitted to designate up to 6.0 units of degree-credit courses for pass/fail grading, thereby minimizing any risk to the students’ GPA. Such courses designated for pass/fail grading will be referred to as Personal Interest Credits (PICs). Click the above link to learn more about PICs. **Deadline: November 3rd, 2017**

Interested in Becoming a Peer with Career Services?
Career Services is searching for candidates for the Career Services Peer Program. Career Services Peers work one-to-one with undergraduate or graduate students, focusing primarily on strategies for improving resumes (or cover letters) rather than proofing or editing. We are seeking individuals who would be interested in developing or furthering their coaching skills and learning, in particular, how to guide interactions in appointments so as to lead to transformative learning (“Aha” moments) for clients. As a peer, you would provide 6 half-hour appointments at Career Services per week during office hours (at times suited to your schedule).

Are you looking to engage with the Kingston Community and develop your leadership skills?
Consider applying to be a Queen’s Cares Reading Week Project Leader!

**What is Queen’s Cares?**
- A four-day community-engaged learning initiative that takes place in Kingston over the February Reading week
- Participants explore needs and issues within Kingston while also exploring their own capacity in making real change in their community

**What does a Project Leader Do?**
- Provides time, leadership, energy and motivation
- Acts as a positive role model and mentor for student participants
- Leads and facilitates project work
- Works directly with community partners and participants to develop the project

Project leaders will receive honorarium for their time and participation.
View the job posting [here](#). Applications are due **Friday, November 3rd at 12:00 pm**. Let us know if you’re interested or have any questions!
For those of you who participated in Queen’s Cares in the past, please note the program structure has changed slightly. Instead of visiting multiple organizations and learning about the topic of poverty, students will be grouped together in a project team and partnered with an organization, and will work to complete a project over the four days. Let us know if you have any questions or would like more information!
Applications are currently being accepted for the 2018 SPSP Summer Program for Undergraduate Research (SPUR). SPUR provides an intensive summer research internship in the methods of social and personality psychology for undergraduates from underrepresented ethnic groups. Participating students conduct hands-on research and research-related activities full-time for eight weeks, working closely with a social-personality psychology faculty mentor at the mentor's university. The program allows students to participate in an active lab with a research focus not available at their home institution. Applicants must be graduating in Summer 2018, Fall 2018, or Spring 2019 and ideally intending to apply to graduate school in social or personality psychology within one to two years. Spring 2018 graduates with a graduation date before July 2018 are not eligible. Up to ten students will be selected for the 2018 program, and each participant will receive a $3000 stipend to cover living expenses and up to $500 to cover travel to and from their summer research site. Interested applicants can learn more about the program or apply today. Applicants will be asked to identify up to five potential faculty mentors from the list of current mentors. All materials, including a letter of recommendation from a faculty member at each applicant's home institution, must be submitted by November 10, 2017. If you have questions, please contact spur@spsp.org.
