I PREAMBLE

1. Queen’s University (the “University” or “Queen’s”) is dedicated to learning, intellectual inquiry, the dissemination and advancement of knowledge, personal and professional development, and good citizenship.

2. Students are responsible individuals and members of society with rights and responsibilities as learners and citizens in the communities in which they learn and live.

3. The University values integrity, inclusiveness and teamwork. To this end, the University is committed to providing developmental and educational opportunities in response to student conduct issues when appropriate. The University is a place for Student growth and development. The non-academic misconduct system at Queen’s (“NAM System”) is part of that broader learning environment.

4. The principles of education, well-being of students, the safety and well-being of the university community, deterrence, restitution, and where appropriate, Restorative Justice, will guide decision-makers within the NAM System.

5. This Student Code of Conduct (“Code”) outlines the kinds of activities and behaviours that constitute non-academic Student misconduct and associated sanctions.

II QUEEN’S UNIVERSITY STUDENT CODE OF CONDUCT IS A BEHAVIOURAL CONTRACT

1. Upon registering in a course or program of study offered by or through Queen’s University and while a Student remains registered in any course or program of study at Queen’s, every Student enters into a contractual relationship with the University by which they:
   a) agree to adhere to and promote the University’s core values of honesty, trust, fairness, respect and personal responsibility in all aspects of University life on and off-campus, academic and non-academic, and, agree that it is these core values that inform and guide Student conduct as they foster mutual respect for the dignity, property, rights and well-being of others; and,
   b) agree to conduct themselves in a manner that does not infringe on the rights of other members of the University to use and enjoy the University’s learning and working environment or the rights of Kingston community members to use and enjoy their residences and the amenities of their community, including its services, facilities,
   c) acknowledge the right of the University to set standards of conduct,
   d) accept and agree to be subject to the University’s policies, rules and procedures, including this Code of Conduct; and,
   e) accept the right of the University and/or its Authorized Agent(s) to impose sanctions for conduct found to have violated those standards, policies, rules or procedures;

2. This Code applies to the actions and conduct of Student’s Guests. Students are responsible for advising their Guests about this Code and the required standards of appropriate conduct. Students are responsible for the conduct of their Guest(s), including violation(s) of this Code, if the Student encouraged the misconduct, or if the Student knew of, or could have reasonably foreseen, the misconduct and failed to take steps to discourage or prevent it, or to advise Campus Security & Emergency Services.

3. Students will be held individually responsible for their actions, whether acting on their own or as part of a group.

4. Student Groups and/or their leaders or any identifiable spokesperson for a Student Group can be held responsible, collectively and/or individually, for violations of this Code by their members or by participants in their Group’s activities, whether sanctioned or not, and whether on or off University Property, if the leaders gave encouragement or consent for the misconduct, or if they knew of, or could have reasonably foreseen, the misconduct and failed to take steps to discourage or prevent it, or to advise Campus Security & Emergency Services.

5. Nothing in this Code replaces or supersedes any complaint, grievance or appeal process set out in any collective agreement to which the University is a party. However, Student misconduct that occurs while a Student is acting in their capacity as an employee of the University may, in addition to any employment-related discipline process, be addressed as non-academic misconduct under this Code where the NAM Intake Office determines that a non-employment University interest is also involved.

6. Student conduct that falls outside the scope of this Code, and which can be addressed by other University policies and procedures includes:
   a) an alleged departure from academic integrity;
   b) an alleged departure from research integrity; and,
   c) an alleged departure from faculty integrity.

7. In circumstances where alleged conduct would constitute a violation of more than one policy applicable to Student conduct, the NAM Intake Office will determine the appropriate procedure(s) to be followed.

8. Nothing in this Code prohibits Student participation in lawful and peaceful public assemblies and demonstrations, nor inhibits Students’ lawful and non-violent freedom of expression. This does not, however, relieve a Student who is also an employee of the University of employment-related obligations in this regard.

9. Procedures under this Code may be undertaken before, at the same time as, or after, civil, criminal, or employment-related proceedings; but, if a report of misconduct has also resulted in civil, criminal, or employment-related proceedings against a Student, the Vice-Provost and Dean of Student affairs (or delegate) will determine whether the case under this Code should be deferred until the conclusion, or partial conclusion, of such other proceedings.

10. The University retains discretion to implement interim measures that are appropriate in the circumstances to support a safe campus environment and/or to safeguard the interests of the University and the campus community, for a specific period or until the case is concluded (e.g.: interim suspension, full or partial Notice of Prohibition, no contact requirements, and restriction(s) on or loss of privileges).

11. Interim measures are not evidence of any finding of fact concerning whether or not there has been a violation of the Code.

V INTAKE AND REFERRAL OF NON-ACADEMIC MISCONDUCT CASES

2018-03-29 (V9)
Amended per discussion at Special NAMSC Meeting
1. The NAM Intake Office will manage initial intake and referral of all non-academic misconduct cases, with the following limited exceptions:

   a) **Athletics & Recreation Cases**: A report of non-academic misconduct by a Student-Athlete or an Intramural Sport Program Participant in a sport-related context will be dealt with by the Athletics & Recreation Department under the Athletics & Recreation Discipline Policy. If it appears that a matter involves a "Major Infraction" or a "Repeat Infraction", as those terms are defined by the Athletics & Recreation Discipline Policy, the Athletics & Recreation Department must submit the matter to the NAM Intake Office for assessment and referral.

   b) **Residence Cases**: A report of non-academic misconduct that occurs in University residences or that is otherwise subject to Residence Community Standards will be dealt with under the Residence conduct system, with the exception of a report that alleges "Level Three" misconduct, as that term is defined in the Residence Community Standards. Such cases must be submitted to the NAM Intake Office for assessment and referral.

2. Non-academic misconduct falls into two general categories: Category 1 and Category 2. While Category 2 is generally considered to encompass relatively more grievous types of misconduct than Category 1, the demarcation between these Categories is not absolute.

3. The NAM Intake Office will first determine whether it is appropriate to refer a case to a Diversion Process.

4. If the NAM Intake Office does not refer a case to a Diversion Process, it will, in consultation with members of senior administration as necessary and appropriate, determine whether the alleged conduct falls within the SCOPE of this Code. If so, the NAM Intake Office will then determine the Category of the case, and thus the most appropriate NAM Unit to have carriage of that case, guided by various factors, including:

   a) whether the alleged misconduct jeopardized, or to a reasonable person potentially jeopardized, the health or safety of an individual. In this context, "jeopardize" includes physical, emotional or psychological impacts;

   b) whether the alleged misconduct constitutes a violation of Municipal, Provincial or Federal law or involves interfering with, obstructing, disrupting, misleading, or failing to comply with the directions of, a Public Official;

   c) the gravity of the consequences/harm alleged. This includes a consideration of whether the alleged misconduct resulted in the dispatch of University or public emergency services;

   d) prior findings of misconduct of the same or similar nature; and,

   e) the complexity of the fact situation; and,

   f) the presence of mitigating or aggravating factors identified in the Incident Report.

5. Every NAM Unit receiving a referral from the NAM Intake Office will assign that case to a case manager ("Case Manager")

6. Decisions of the NAM Intake Office are not subject to appeal. But if, upon receipt of a case from the NAM Intake Office, a Case Manager determines the case ought to have been referred elsewhere, the Unit may request that the NAM Intake Office re-direct the case accordingly.

2018-03-29 (V9)
Amended per discussion at Special NAMSC Meeting
7. NAM cases, if not informally resolved pursuant to an applicable procedure, shall be dealt with by the adjudicative body of the NAM Unit to which the case was referred.

VI. TYPES OF NON-ACADEMIC MISCONDUCT

1. Non-academic misconduct can take the form of a single act, repeated acts, or, be part of a pattern of behaviour that taken in its entirety constitutes a violation of this Code.

3. The various types of non-academic misconduct are described below, but the examples contained under each class are not intended to be exhaustive.

4. Cases described as PRESUMPTIVELY CATEGORY 2 NON-ACADEMIC MISCONDUCT must be referred by the NAM Intake Office to the Student Conduct Office. The Student Conduct Office has the authority to refer the matter to a different NAM Unit, having regard for the criteria listed in Paragraph 4 of Section V, in which case the Student Conduct Office will advise the NAM Intake Office of the subsequent referral.

Similarly, the University will not issue Official Transcripts to the Student directly; transcripts will be sent to specified recipients at the Student’s request. VII SANCTIONS

1. The primary approach of NAM sanctions is to be educational. In addition, the principles of restitution, deterrence, and where appropriate, Restorative Justice, will guide decision-makers within the NAM System.

2. More than one sanction may be applied for any violation of this Code.

3. Repeated or multiple breaches of the Code will normally result in progressively more severe sanctions.

4. In addition to the sanctions described in 7 and 8 below, sanctions delineated in the Residence Community Standards and the Athletics and Recreation Discipline Policy will be available in cases arising from those Units of the NAM System, but which have been referred by the NAM Intake Office to the Student Conduct Office.

5. Sanctions will be appropriate to the conduct involved in each case.

6. Every NAM decision imposing a sanction(s) must describe any mitigating and/or aggravating factors that were considered by the decision-maker.

7. Sanctions that may be applied by any Unit in the University NAM System include, but are not limited to:

   a) **Written warning or reprimand** – A notice given to a Student indicating the details of the Code violation(s) and including a direction that the conduct cease and not be repeated. This notice must include a statement regarding the possibility of progressively more severe sanctions being applied in the event of future misconduct.

   b) **Letter of behavioural expectation** – A letter to be signed by the Student that includes an undertaking not to engage in certain behaviour and which sets out the range of possible consequences if the stated behavioural expectations are not met.

   c) **Educational assignments** – A requirement to complete specific educational activities, which may include participation in, and completion of, an educational program (webinar, on-line program, in-person workshop etc.) or a written assignment or an educational meeting with a University or Public Official.

   d) **Apology** – A written or oral apology to be delivered to a specified party/parties within a specified timeframe.

   e) **University or Community Service** – Service to the community or to the University, with type of service, location (as applicable) and timeframe to be specified.

   f) **Restitution** – A monetary compensation for loss, damage or injury, or replacement of damaged or destroyed property.

   g) **Monetary fine** – An amount and timeline for payment must be specified.

   h) **Conditional Fine** – The Student is required to commit a specified sum of money for a defined period of time, and the Student is required to sign and abide by a letter of behavioural expectations. If, at the end of the time period, the Student has not breached the terms of the letter, the bond will be vacated. A breach of the behavioural...
expectations may result in additional sanctions.

i) Restriction on, or Loss of, privilege – The restriction on or removal of specified privileges, indefinitely or for a specified period of time, which can include restrictions on, or removal from participation in, an activity or role affiliated with the University (e.g. access to University facilities, participation in extra-curricular activities, University sponsored travel, participation on University bodies).

j) No Contact – A requirement that a Student have no direct or indirect contact (including, but not limited to in-person, phone, text, email, social media, through a third party etc.) with a specified individual, individuals or group, as outlined in a letter of behavioural expectations.

k) Non-Academic Probation – Status imposed on a Student for a specified period of time who has a significant record of non-academic misconduct (e.g. because of several previous Code violations or because of a Code violation that compromised the health, safety, or well-being of another person) during which the Student is not in good standing with the University and a further Code violation may result in a notice of Prohibition or a Requirement to Withdraw.

8. The following sanctions may be imposed only by an authorized Queen’s administrator:

a) Notice of Prohibition from campus, in part(s) or in its entirety.

b) Requirement to Withdraw, which may be time limited (suspension) or indefinite (expulsion). This sanction is only available in cases of Category 2 non-academic misconduct.

9. When an allegation of a Code violation is made against a student, and until the case has been resolved, the student will not be issued transcripts directly but at the student’s request transcripts will be sent to institutions or potential employers. If subsequently the student is found to have violated the Code and the sanction results in a transcript notation, the Student’s transcript will be amended accordingly, and prior recipient(s) of any transcripts will be so informed by the Registrar.

10. If at any time while a NAM case is pending against a Student and the Student’s relationship with the university comes to an end such that the Student is no longer a member of the Queen’s community (this does not include a leave of absence, or other temporary break or a voluntary withdrawal as part of an informal resolution agreement), then:

a. the university may decide to suspend the NAM process. If the Student re-joins the Queen’s community in future, the University will decide whether to reinstate the NAM process; or,
