

TECHNOLOGICAL EDUCATION MULTISESSION PROGRAM

Admission Requirements

Admission Requirements

Applicants must have one of the following:

- Minimum 5 years* of wage-earning experience, including business or industrial experience, where the applicant used skills and knowledge in the area of Technological Education selected for their Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>).

or

- At least 2 years* of wage-earning experience and successful completion of a postsecondary education program in the area of Technological Education selected for their Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>). The postsecondary education program must be a minimum of six (6) semesters of academic studies where the experience and education use the applicant's skills and knowledge in their Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>).

or

- A combination of wage-earning experience and education that totals five (5) years*, of which at least two (2) years* must be wage-earning experience in their Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>) and at least four (4) months in this two years must be continuous.

* Please note that 1 year equals 1850 hours

Proof of Competency

Applicants must provide proof of competency in the same Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>) area to which they are applying in order to teach. This proof is a combination of both academic background and work experience in the same Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>). Examples of activities that are not counted towards your skilled wage-earning experience are teaching, supervisory functions, management activities, customer service and sales activities. Activities such as these

cannot be counted even if they require knowledge of the Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>) area.

Proof of competence in the Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>) subject area must be demonstrated as follows:

- a minimum of 2 years of related postsecondary skilled work and/or wage-earning experience (in the same area of trade certification and in the same Broad-based Technology (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/#broad-based-technology>) subject area that the applicant is seeking qualification)

or

- an acceptable combination of related academic studies and related skilled work and/or wage-earning experience

Required Academic/Work Experience Combinations

Qualifications and assessments of individual academic/experience combinations are made by the Faculty, and require proof of related postsecondary skilled work and/or wage-earning experience. The proven number of years needed for each academic background is as follows:

- Related university degree: A minimum of 2 years experience
- Related college diploma (3 years): A minimum of 2 years experience
- Related college diploma (2 years): 3 years experience
- 1 year of a 2-3 year related college diploma: 4 years experience
- Tradesperson (Secondary School Graduation Diploma): 5 years experience

*Please note that 1 year equals 1850 hours.

Selection is based on the application requirements in TEAS Requirements for Queen's (<https://www.ouac.on.ca/guide/teas-queens/>) as well as the supplemental documents submitted to Student Services. See How to Apply (<https://educ.queensu.ca/teacher-education/consecutive/tech-multi/apply/>).
