

Queen's University School of Graduate Studies and Postdoctoral Affairs (SGSPA)
2024-2025 Ontario Graduate Scholarships (OGS)
Terms and Conditions

General Information

Since 1975, the Ontario government, in partnership with Ontario's publicly-assisted universities, has encouraged excellence in graduate studies at the master's and doctoral levels through the awarding of Ontario Graduate Scholarships (OGS). OGS awards are merit-based scholarships available to students in all disciplines of academic study. The OGS program is jointly funded by the Province of Ontario and Ontario universities. The Province of Ontario contributes two-thirds of the value of the award and the university provides one-third.

Value and Tenure

The OGS value is \$15,000, paid in installments of \$5,000 per term for one year. Awards must be held for at least two sequential academic terms. If a student cannot hold his or her OGS for at least two sequential terms, repayment in full will be required.

Eligible Students: In order to be considered eligible to be nominated for and to hold an OGS, a student must be:

- A Canadian citizen, Permanent Resident or Protected Person (under subsection 95(2) of *the Immigration and Refugee Protections Act [Canada]*) at the time of the 2024-2025 OGS application deadline date.
- Enrolled in an eligible postsecondary institution in Ontario (one offering graduate programs).
- Enrolled full time in an eligible full time graduate program.

Visa students: Foreign students who are studying in Ontario under a temporary resident visa-student study permit are eligible for the allotted visa student OGS awards, according to the application and administrative procedures established by the university.

Terms and Conditions

1. OGS recipients must remain enrolled as full-time students. OGS recipients who withdraw, transfer to part-time studies, or fail to complete the term in which an OGS installment has been issued, are required to repay the installment. A withdrawal in a subsequent term will not require repayment of any installment of the award for any completed terms. A recipient who graduates during a term in which they hold an award is permitted to keep the installment for that term.
2. Master's students can receive OGS for a maximum of two years (one year in 1 year programs) and doctoral students for a maximum of four years, subject to a lifetime maximum of six years of OGS funding per student.
3. A university may opt to not provide an award to a master's student who has been enrolled for more than two academic years or a doctoral student who has been enrolled for more than four academic years.

4. Students cannot exceed a lifetime maximum of six (6) years of government-funded graduate awards. Awards under the following programs are counted toward this lifetime maximum:
 - i. Ontario Graduate Scholarship Program (OGS)
 - ii. Queen's Elizabeth II Graduate Scholarship in Sciences and Technology (QE II GGST)
 - iii. Ontario Trillium Scholarship (OTS)
 - iv. Social Sciences and Humanities Research Council of Canada (SSHRC)
 - v. Natural Sciences and Engineering Research Council (NSERC)
 - vi. Canadian Institute of Health Research (CIHR)
 - vii. Vanier Canada Graduate Scholarships (Vanier CGS)

5. Students cannot hold an OGS award and an award from any of the following programs, concurrently:
 - i. Queen's Elizabeth II Graduate Scholarship in Sciences and Technology (QE II GGST)
 - ii. Ontario Trillium Scholarship (OTS)
 - iii. Social Sciences and Humanities Research Council of Canada (SSHRC)
 - iv. Natural Sciences and Engineering Research Council (NSERC)
 - v. Canadian Institute of Health Research (CIHR)
 - vi. Vanier Canada Graduate Scholarships (Vanier CGS)
 - vii. Ontario Women's Health Scholars Awards/Autism Scholars Awards

6. Recipients of the Queen's University Indigenous and Black Engineering/Technology (IBET) Fellowship who hold or are subsequently awarded a major scholarship may have the value of their IBET Fellowship reduced. The Departmental/Supervisor portion of the IBET Fellowship may be partially or fully reduced while receiving this additional funding. Major scholarships have a value of more than \$10,000, with examples including: Vanier, Tri-Agency Doctoral CGS and PGS, Ontario Graduate Scholarship (OGS), and Queen Elizabeth II Graduate Scholarship in Science and Technology (QEII-GSST). The Faculty of Engineering and Applied Science will advise the student(s) of any adjustments to their funding accordingly.

7. Other than the restrictions listed in #4, #5 and #6 above, OGS recipients can hold a graduate award or awards at the same time (in the same academic year) as OGS, provided this is permitted under the terms and conditions of the other graduate award or awards. This restriction includes but is not limited to the following:
 - a. Students may NOT hold the OGS at the same time as any Other Named Fellowship or Award administered by the SGSPA valued at \$10,000 or more.
 - b. Students may NOT hold the OGS at the same time as the R.S. McLaughlin Fellowship or Franklin and Helene Bracken Fellowship.
 - c. Graduate departments/programs have discretion to request reallocation of any OGS if any OGS recipient or intended recipient wins any internal award or any external award of equal or greater value than the OGS.

8. Recipients enrolled in a postgraduate MD training program and simultaneously registered in a full-time doctoral graduate program may hold other awards that, together with the OGS award, do not exceed the current level of funding for clinical training provided by the Ministry of Health and Long-Term Care.
9. Recipients must not have exceeded the maximum number of awards for their level of study. A student can hold one year of OGS funding in a 1 year Master's program. A student can hold up to two years of OGS funding for a 2 year Master's program. The OGS can be awarded for one or both of the first two academic years, but not after the second year. A student can hold up to four years of OGS funding for a program at the doctoral level. The OGS can be awarded in any of the first four years. In 2024-2025, consideration will be given for OGS recipients in the fifth year of their doctoral program.
10. OGS awards are *not transferable* and must be taken up at the university that grants them to the recipient. If a Queen's University OGS recipient transfers to another institution, any and all unused portion of the award remains with Queen's University, not with the recipient.
11. OGS awards are *not transferable* from one department/program to another. OGS awards can only be held in the Department/Program that initially recommended the recipient for this funding.
12. An OGS recipient may be granted a leave of absence, not to exceed, on any one occasion, more than 18 consecutive months, for any Queen's University SGSPA- approved leave of absence. Queen's University SGSPA's policy concerning length of allowable leaves of absence from a program shall apply, where the allowable leave is 18 months or less. Queen's University SGSPA's policy concerning how the award is disbursed when the leave ends, shall apply.
13. Prior to release of OGS funds to the recipient, Queen's University is responsible for checking the Ontario Student Assistance Program (OSAP) restricted list status of all recipients through the Queen's University Student Awards Office, and for ensuring that restricted students receive clearance from the Student Financial Assistance Branch and/or the Canada Student Loans Plan. If clearance is not received, the student cannot receive the OGS. OGS installments will not be released to any student with any OSAP restrictions, and the OGS award will be revoked if the student cannot resolve their OSAP restrictions by the deadline that the SGSPA sets. Along with other OSAP restrictions, OGS recipients will not be able to hold their award if their provincial bursary overpayment is in collections
14. If an OGS installment is issued to a student who is subsequently determined to be ineligible to receive that installment, that installment must be refunded. It is the student's responsibility to return the installment as soon as possible. Students should be aware that to reclaim the installment, the SGSPA will cancel or reverse any direct deposit transaction through the student's fees account. If the SGSPA cancels or reverses a direct deposit transaction, the SGSPA

shall inform the student that this action has been taken. If the transaction cannot be cancelled or reversed, it is the student's responsibility to repay the award or award instalment as soon as possible.

15. All awards (awards, scholarships, fellowships, prizes, etc.) have to be reported appropriately to the Canada Revenue Agency (CRA). In most cases, scholarships, fellowships, and/or bursaries are not taxable, if the recipient was enrolled as a student in a program that entitles the person to claim the education amount on tax information, as defined by CRA. More information on this topic may be found at CRA's website, <https://www.canada.ca/en/revenue-agency/services/forms-publications/publications/p105/p105-students-income-tax.html>. In some rare circumstances (outlined on CRA's website), this award or portions of it may be taxed. Tax is not deducted from the award by the SGSPA or Queen's University.
16. OGS awards usually start in September of the academic year. However, the OGS award start date may be commensurate with the start date of a degree program within that academic year, i.e. in the subsequent January, or May.
17. OGS holders are restricted to ten hours per week for Teaching Assistantships, on average for the academic year. OGS recipients may also accept research assistantships or other employment that does not affect their status as a full-time graduate student.
18. OGS recipients cannot be enrolled in a qualifying or make-up year or be on a paid educational leave or sabbatical.
19. IT IS THE OGS RECIPIENT'S RESPONSIBILITY TO NOTIFY THE SGSPA IF THEY RECEIVE AN EXTERNAL AWARD OF EQUAL OR GREATER VALUE THAN THE OGS. ACCEPTANCE OF ANY SUCH EXTERNAL FUNDING MAY RESULT IN THE WITHDRAWAL OF THE 2024-2025 OGS, AND RE-EVALUATION OF ALL 2024-2025 FUNDING.
20. OGS awards are *not renewable* but are awarded annually based on eligibility, availability, and departmental recommendation.
21. The OGS award may constitute a portion of guaranteed financial support within a department/program.
22. See Appendix A for the compliance policies Queen's University must follow in the administering of this program, under the ***Freedom of Information and Protection of Privacy Act (FIPPA)***.
