

Teaching Assistantships 2024-2025

Posting Date: 10 July 2024

Closing Date: 24 July 2024

The Department of History anticipates hiring Teaching Assistants (TAs) in the following on-campus lecture courses and Arts and Science Online (ASO) courses for Fall/Winter 2024-2025. **Please see the list of courses included at the end of this ad.** Detailed course descriptions can be found on the Department of History website. Applications will be reviewed by Dr. Amitava Chowdhury, Chair, Department of History (history.chair@queensu.ca). Only those applicants who are offered a position will be contacted.

To apply for a TA position, submit the following Microsoft Form by 24 July 2024:

<https://forms.office.com/r/qCw2ES13nj>

Preference Groups

The process of assigning qualified graduate students to these jobs is outlined in the Collective Agreement between PSAC 901 and Queen's University. The department will review applications and allocate positions in reference to candidates' teaching and academic experience as it applies to the course subject field and in reference to each candidate's priority for a TAship as specified by the Collective Agreement.

Students who are in Preference Group A (for whom one or two teaching assistantships are part of their funding commitment from the university, as outlined in the funding letters) are required to apply to receive their full funding package.

Those in other preference pools for whom a teaching assistantship in History is not part of their funding commitment from the university will be considered if positions are still available. If you are in Preference Groups B, C, or D and wish to be considered for a teaching assistantship, please fill out the form. You will also be asked to submit (via the form) a curriculum vitae and a copy of your transcript(s) setting out your academic accomplishments, relevant experience, and course preferences. Unofficial versions of transcripts from SOLUS and similar systems will suffice for this purpose. If you are unsure which Preference Group you are applying under, please review your funding letter or email history.chair@queensu.ca for assistance.

Arts and Science Online Courses

Teaching assistantships for Arts and Science Online courses have some specific requirements. Some training and preparation are needed before the start of the course. Candidates must be prepared to work outside the regular 9-5 work week and have access to the internet and a computer that meets ITS minimum requirements (see "[computer requirements](#)" on this page). Experience with learning management systems (e.g. onQ) and videoconferencing software (e.g. Teams, Zoom, or Adobe Connect) would be an asset. Please note that meeting with the instructor to review the course and to participate in a workshop on teaching with technology may commence prior to the start of the term.
