

Bilateral Exchange Statistics 2024-2025

Purpose of this document: The following table shows the ratio of available spaces to applications for **the past cycle (Fall 2024/Winter 2025)**. We are sharing this information to help you when choosing which schools to list on your application for this upcoming cycle. To see this year's available spaces, check out the document [Spaces and Places](#) on our website.

How do I use this document?

- **Column B** shows the number of exchange spaces in semesters in full years. For example, we were able to send 6 students for 6 semesters to the University of Western Australia.
- **Column C** shows the total number of times a school was chosen over all applications (i.e., could have been a 1st ranked school, 2nd ranked school, 3rd ranked, etc.). **Please remember that this data is indicative of every student being able to list up to six schools in their application.**
