

Teaching Fellow Positions – Academic Year 2024-2025

The Department of Mathematics and Statistics at Queen’s University invites applications from qualified candidates interested in teaching the following courses in the academic year 2024-2025:

Course	Course Title	Semester
MATH 121	Differential & Integral Calculus	F
MATH 121	Differential & Integral Calculus	W
MATH 126	Differential & Integral Calculus	F
MATH 126	Differential & Integral Calculus	W
APSC 171	Calculus I	F
MATH/MTHE 212	Linear Algebra II	F
MATH/MTHE225	Ordinary Differential Equations	F
MTHE 235	Differential Equations for ECE	F
MATH/MTHE 337	Introduction to Operations Research Models	F
STAT 464	Discrete Time Series Analysis	F

Preference will be given to qualified graduate students in the Department of Mathematics and Statistics who meet the following conditions:

- currently enrolled in a Doctoral program
- have passed the applicable thesis prospectus exam or the comprehensive exam for their program.
- have completed Teaching Apprenticeship program with 15 hours of classroom instructional training or have equivalent post-secondary teaching training.

A complete application will consist of all transcript(s), a curriculum vita as well as any other relevant materials the candidate wishes to submit for consideration such as a teaching dossier or student evaluations. All documentation should be submitted to Dr. Ping Li electronically to pingli@queensu.ca.

The deadline to apply is Wednesday, July 17, 2024. Review of completed applications will begin after this date and continue until all positions are filled. The final appointment is subject to budgetary approval and regular staffing.

Graduate Teaching Assistants and Teaching Fellows at Queen's University are governed by the [Collective Agreement](#) for Teaching Assistants and Teaching Fellows between PSAC Local 901 and Queen's University. Remuneration will be in accordance with the Collective Agreement, and appointments are subject to funding or enrolment criteria.

The University invites applications from all qualified individuals. Queen’s University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
