

CURRICULUM VITAE

KATE L. HARKNESS

Professor and Head
Department of Psychology
Queen's University
Kingston, ON K7L 3N6
613-533-6003; 613-533-2499
harkness@queensu.ca

HIGHER EDUCATION

Registered (licensed) in Ontario #3953

Clinical Internship, 1998-1999, Western Psychiatric Institute & Clinic, University of Pittsburgh

Ph.D. in Clinical Psychology, 1998, University of Oregon, Eugene, Oregon

M.S. in Psychology, 1995, University of Oregon, Eugene, Oregon

B.Sc. Hon., with High Distinction, 1993, University of Toronto, Toronto, Ontario

POSITIONS HELD

Senior Associate Researcher, Providence Care Hospital, Queen's University, 2023-present

Professor, Department of Psychology, Queen's University, 2012-present

Visiting Professor, Department of Psychiatry, University of California, San Diego, 2013-2014

Associate Professor, Department of Psychology, Queen's University, 2006-2012

Visiting Professor, Department of Psychology, Stanford University, 2007-2008

Assistant Professor, Department of Psychology, Queen's University, 2000-2006

Post-Doctoral Research Fellow, Western Psychiatric Institute and Clinic, 1999-2000

Graduate Research Fellow, Department of Psychology, University of Oregon, 1996-1998

Graduate Teaching Fellow, Department of Psychology, University of Oregon, 1994-1998

Post-Graduate Research Assistant, Clarke Institute of Psychiatry, University of Toronto, 1993-1994

DISTINCTIONS

2023 Fellow, Canadian Psychological Association

2022-2023 President, Society for Research in Psychopathology

FUNDED RESEARCH GRANTS AND FELLOWSHIPS

2023-2028 National Institute of Mental Health R01MH131950 \$3,597,213
Trajectories of Positive Valence Systems and Postpartum Depression Risk
Role: Co-I

2023-2028 Canadian Institutes of Health Research Operating Grant \$1,495,575
Role: Collaborator *Optimized Predictive Treatment In Medications for Unipolar Major Depression*

2023-2025 Social Sciences and Humanities Research Council, Insight Development Grant \$75,000
Role: Collaborator *Effects of Adverse Life Experiences on HeartBrain Communication and Adolescents' Emotional Development*

2021-2023 BrainSCAN, Accelerator Program Grant \$98,568

Role: co-I *Neural correlates of adolescents' adaptation to the COVID-19 pandemic: A Longitudinal fMRI study*

2021-2023 NRSA F31

Role: Consultant *Promoting Diversity in Health-Related Research*

- 2020-2025 Canadian Institutes of Health Research, Project Grant \$673,200
Role: co-I *Functional Improvement and Recurrence Risk after First Episode Depression: Independent and Interactive Roles of Premorbid Factors, Cognition, Reward, and Effort*
- 2020-2025 NIH K23
Role: Consultant *Stress and Perceived Control in Depression*
- 2019-2023 Social Sciences and Humanities Research Council, Insight Grant \$213,731
Role: PI *Individual differences in adult theory of mind: Predicting social behaviour and outcomes*
- 2019-2023 Social Sciences and Humanities Research Council, Insight Grant \$384,540
Role: Co-I *A developmental approach to understanding sex and gender differences in the evolution of stress exposure and stress sensitivity*
- 2019-2023 Ontario Brain Institute \$10,000,000
Role: Collaborator and Platform Lead. *Canadian Integrated Biomarker Network for Depression (CAN-BIND-Renewal)*.
- 2019-2021 Canadian Institutes of Health Research
Role: Co-I *U-Flourish student mental health research: Transitions to mental health care*
- 2017-2018 Canadian Institutes of Health Research SPOR, \$79,780
(Role: Co-I) *Flourish Student Mental Health Research: Pathways to mental health and academic outcomes in undergraduate university students*
- 2014-2018 Canadian Institutes of Health Research Operating Grant MOP136875, \$276,713
Role: Co-I. *The social information processing response to intranasal oxytocin as a potential marker of social vulnerability and risk for depression*
- 2013-2018 Ontario Brain Institute \$18,000,000
Role: Collaborator and stress lead. *Canadian Integrated Biomarker Network for Depression (CAN-BIND)*.
- 2016-2017 Queen's University Psychiatry Research Award, \$10,000
Role: Co-PI *Neuroendocrine markers of stress sensitivity in major depression*
- 2016-2017 Women's Giving Foundation, \$10,000
Role: Co-PI *Stress sensitivity and reward responsivity in major depression: A 6-month follow-up*
- 2015-2017 Templeton Foundation, \$222,218
Role: Co-I *Shifting Bodies, Shifting Feelings: Birth Transforms Positive Emotions from Self-Relevant to the Self*
- 2015-2017 CAN-BIND from Ontario Brain Institute, \$150,000
Role: PI. *Biomarkers of stress sensitivity and reward responsivity in major depression*
- 2015-2017 Ontario Mental Health Foundation Operating Grant, \$150,000
Role: PI *Stress Sensitivity and Reward Responsivity: An Integration of Two Endophenotypes in Major Depression*
- 2013-2016 SSHRC Insight Development Grant, \$68,453
Role: Co-I. *A detailed examination of the life circumstances of high school dropout in economically contrasted rural and urban areas.*
- 2012-2015 SSHRC Insight Development Grant, \$90,752
Role: PI. *Individual Differences in Adult Theory of Mind: A Cognitive-Interpersonal Integration*
- 2013-2014 Senate Advisory Research council Pilot Grant, \$6,667
Role: PI. *Randomized controlled trial of Bikram yoga and aerobic exercise for depression: Efficacy and underlying psychological and physiological mechanisms.*
- 2013-2014 Senate Advisory Research council Pilot Grant, \$6,667
Role: Co-I. *Ameliorating Emotional Vulnerabilities in First Year Students.*
- 2006-2013 Canadian Institute for Health Research Operating Grant, \$640,000
Role: PI. *The Role of Childhood Adversity and Genetic Polymorphisms in the Serotonin and BDNF Systems in the Sensitization to Stress in Major Depression*
- 2006-2008 Ontario Mental Health Foundation Operating Grant, \$134,192
Role: PI. *A Psychobiological Model of Stress Sensitization in Adolescent Depression*
- 2007-2008 Advisory Research Council Pilot Grant, \$3,200
Role: Co-PI. *Hippocampal Volume in Adolescent Depression: A Structural Magnetic Resonance Imaging Study*
- 2003-2006 Ontario Mental Health Foundation Operating Grant, \$139,827
Role: PI. *Stress Generation and Recurrent Depression: The Role of Differential Treatment Response*
- 2003-2005 Hospital for Sick Children Foundation New Investigator Award, \$115,655

- Harkness, K. L. (PI) *A Cognitive-Developmental Model of Risk for Adolescent Depression*
- 2003-2004 Advisory Research Council Pilot Grant, \$4,000
Role: PI. *The Effect of Early Adversity on Adult Depression: An Animal Model*
- 2000-2003 Canadian Foundation for Innovation New Opportunities Grant, \$308,000
Role: Co-PI. *Integrated Brain and Behavioural Sciences Laboratory*
- 2001-2002 Advisory Research Council Pilot Grant, \$9,920
Role: PI *Risk Factors for Adolescent Depression.*
- 2000-2005 Research Initiation Grant, Queen's University, \$60,000
Role: PI. *Stress and Major Depression*

INVITED ACADEMIC ADDRESSES

- September, 2023. *What Stress Can Tell Us About the Nature of Depression*. Invited Presidential Address to the Society for Research in Psychopathology. St. Louis, MO.
- May, 2023. *Addressing Mental Health in the Academic Setting: Accommodation Versus Resilience*. Invited Keynote to the Ontario Committee of Arts and Science Deans, University of Guelph.
- March, 2023. *Reducing the Impact of Depression: Syndrome Heterogeneity Informs Personalized Treatment*. Invited Hebb Lecture, McGill University.
- January, 2023. *Lasting Scars: How Childhood Maltreatment Changes the Brain*. Invited Keynote, Neugeneration, Queen's University.
- November, 2022. *Stress and Depression: We've Got it All Figured Out*. Invited Grand Rounds, Department of Psychiatry, McMaster University.
- September, 2021. *Lasting Scars: How Childhood Maltreatment Shapes Exposure and Response to Future Stress*. Invited Keynote at the Psychiatry Research Day, Queen's University.
- January, 2021. *Lasting Scars: How Childhood Maltreatment Shapes Exposure and Response to Future Stress*. Invited Grand Rounds, Department of Psychiatry, University of British Columbia.

- February 6, 2020. *Reading the Minds of Others: Paradoxes, Mechanisms, and Outcomes Across the Depression Spectrum*. Invited colloquium at McMaster University.
- February 27, 2020. *Childhood Maltreatment, Stress, and Theory of Mind*. Invited colloquium at Vanderbilt University.
- October 15, 2020. *Personalizing Treatments for Depression: The Crossroads of Neuroscience and Applied Research*. Keynote at the Centre for Neuroscience Studies Annual Research Conference.
- December 15, 2020. *Stress Mechanisms in Major Depression: From Exposure to Response*. Invited colloquium at the University of Waterloo.
- July 20, 2019. *The Role of Stress in Psychopathology: Implications for Treatment*. Invited Keynote Address at the World Congress of Behavioural and Cognitive Therapies. Berlin, Germany.
- October 22, 2018. *Stress Exposure and Stress Response in Major Depression*. Invited colloquium at Emory University.
- November 8, 2017. *Biomarker-Stress Interactions in Major Depression*. Invited Grand Rounds at the University of Michigan, Ann Arbor, MI.
- March 15, 2017. *The Victimized Child and Risk for Mental Illness: Biopsychosocial Mechanisms and Policy Implications*. Invited plenary to the 39th Annual Banff International Conference on Behavioural Sciences.
- Mar. 24, 2016. *Biomarker-Stress Interactions in Major Depression*. Invited Rounds at the University Health Network, University of Toronto.
- Jan. 22, 2016. *The Developmental Psychopathology of Childhood Maltreatment*. Invited colloquium at the University of Guelph.
- Jan. 8, 2016. *Biomarker-Stress Interactions in Major Depression*. Invited Rounds at the Centre for Addiction and Mental Health, University of Toronto.
- March, 2015: *The Developmental Psychopathology of Childhood Maltreatment*. Invited Talk to the Children's Health Research Institute, Western University, London, ON.
- April, 2014: *The Developmental Psychopathology of Childhood Maltreatment*. Invited Talk to the Stanford Mood and Anxiety Disorders area, Stanford University, Palo Alto, CA.
- April, 2014: *The Developmental Psychopathology of Childhood Maltreatment*. Invited Talk to the Department of Psychology, University of Oregon, Eugene, OR.
- March, 2013: *The Developmental Psychopathology of Childhood Maltreatment: A Stress Sensitization Perspective*. Invited Talk to the Department of Psychology, Western University, London, ON.
- March, 2013: *The Developmental Psychopathology of Childhood Maltreatment: A Stress Sensitization Perspective*. Invited Talk to the Department of Psychology, Washington University, St. Louis, MO.
- February, 2013: *The Developmental Psychopathology of Childhood Maltreatment: Implications for Adolescent Depression*. Invited Talk to the Department of Applied Development, University of Toronto, Toronto, ON.
- May, 2012: *Symptoms and Causes of Depression*. Invited talk as part of the Mental Health Panel sponsored by Kingston General Hospital.
- April, 2012: *A Psychobiological Model of Pathological Stress Processes in Major Depression*. Invited Talk to the Department of Psychology, University of Western Ontario, London, ON.
- November, 2011: *What is Depression?* Invited Talk to the Department of Psychology, University of Waterloo, Waterloo, ON.
- January, 2010: *Gene-Environment Interactions in First-Onset Major Depression*. Invited Grand Rounds, Centre for Addiction and Mental Health, University of Toronto, Toronto, ON.
- October, 2008: *Stress and Major Depression*. Invited Grand Rounds, Centre for Addiction and Mental Health, University of Toronto, Toronto, ON.
- April, 2008: *The Developmental Psychopathology of Adolescent Major Depression*. Invited Talk to the Department of Psychology, University of California, Berkeley, CA.
- October, 2007: *The Generation of and Sensitization to Stress in Major Depression*. Invited Talk at the Mood Laboratory, Department of Psychology, Stanford University, Stanford, CA.
- January, 2005: *The Psychobiological Origins of Stress Sensitization in Major Depression*. Invited Grand Rounds, Centre for Addiction and Mental Health, University of Toronto, Toronto, ON.

REFEREED CONFERENCE PRESENTATIONS (*my trainees)

-
- *Rowe, J., Nogovitsyn, N., Hassel, S., Poppenk, J., Squires, S., Mazurka, R., Zamyadi, M., Arnott, S. R., Rotzinger, S., Kennedy, S., Lam, R., Quilty, L., Uher, R., Milev, R. V., Frey, B., & Harkness, K.L. (2023, Sept 21-24). *Latent Profiles of Stress Sensitivity in Depression*. Poster presented at Society for Research in Psychopathology, St. Louis, MO, USA.

- *Gallagher, A., *Elaneh, E., Sabbagh, M., & Harkness, K. L. (2023, September). Egocentric bias, theory of mind and depression. Poster presented at Society for Research in Psychopathology, St. Louis, MO, USA.
- *Mazurka, R., Harkness, K. L., Stensson, N., Wynne-Edwards, K. E., Milev, R.,...& Mayo, L. (2023, September). *Childhood maltreatment, endocannabinoids, and hippocampal volume in major depression*. Paper presented at annual meeting of European Behavioural Pharmacology Society.
- Green, H. E., Daoust, A. R., Vandermeer, M. R. J., Liu, P., Stanton, K., Harkness, K., Hayden, E. P. (2022, September). *Symptom centrality and stability of adolescent internalizing symptom networks during the COVID-19 pandemic*. Poster presented at annual meeting of Society for Research in Psychopathology, Philadelphia, PA.
- *Rowe, J. & Harkness, K. L. (June, 2022). *Associations Among Changes in the Cortisol Response, Hippocampal Volume, and Depressive Symptomatology Across Time*. Paper presented at the annual meeting of the Canadian Psychological Association. Calgary, AB.
- *Mazurka, R., Harkness, K. L., Stensson, N., Wynne-Edwards, K. E., Milev, R., Turecki, G., Foster, J. A., Rotzinger, S., Kennedy, S. J., & Mayo, L. M. (April, 2022). *Childhood Maltreatment and Proximal Stress Exposure in Adulthood Are Associated with Endocannabinoid Levels in Major Depression*. Poster presented at the Society for Biological Psychiatry annual conference (virtual).
- *Gallagher, A., *Washburn, D., & Harkness, K. L. (June, 2022). *Negative Feedback-Seeking in Depression: The Moderating Roles of Rumination and Interpersonal Life Stress*. Poster presented at the annual meeting of the Canadian Psychological Association. Calgary, AB.
- *Bujold, A., *Rowe, J., *Martins-Ezeifeaku, A., & Harkness, K. L. (June, 2022). *Sexual self-schemas and risky sexual behaviour mediate the relation of childhood sexual abuse to sexual re-victimization in adult women*. Poster presented at the annual meeting of the Canadian Psychological Association. Calgary, AB.
- Harkness, K. L. (2021, September). Under Pressure: Pathways from Stress to Internalizing Psychopathology. Invited discussant at the *Society for Research in Psychopathology* annual conference (virtual)
- *Gallagher, A., Sabbagh, M. A., & Harkness, K. L. (September, 2021). *How can I know you if I don't know myself? Low awareness of cognition impairs perspective taking in depression*. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- Green, H. A., Daoust, A. R., Vandermeer, M. R. J., Chan, T., Liu, P., Stanton, K., Harkness, K. L., & Hayden, E. (2021, September). Adolescent and Parent Internalizing Symptoms, Avoidance, and Concern in the First Year of the COVID-19 Pandemic. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- *Hicks, O., McInerney, S., Soares, C., Foster, J., Frev, B., Lam, R., Milev, R., Rotzinger, S., Kennedy, S., & Harkness, K. L. (2021, September). Acute and Chronic Stress Interact to Predict Treatment Outcome and Naturalistic Course of Major Depression. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- Patel, A., Quilty, L., Bagby, R. M., & Harkness, K. L. (September, 2021). Exploring Personality and Life Stress in Depression: Links in Transitional Age Youth. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- *Min, S., Milev, R. V., Pizzagalli, D. A., Kennedy, S. H., & Harkness, K. L. (2021, September). The Relation of Stressful Life Events to Reward Learning in Depression. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- *Rowe, J. R., Poppenk, J., Nogovitsyn, N., Milev, R., Wynne-Edwards, K. E., Kennedy, S. H., & Harkness, K. L. (2021, September). Dynamic Associations Among Depression, Brain Structure, and Cortisol Reactivity: A Longitudinal Neuroimaging Analysis. Poster presented at the *Society for Research in Psychopathology* annual conference (virtual)
- Harkness, K. L., *Mazurka, R., *Cunningham, S., Bagby, R. M., Milev, R., & Wynne-Edwards, K. E. (2021, March). Childhood Maltreatment Heightens the Generation of and Sensitivity to Stress. Paper presented at the Canadian Stress Research Conference, virtual
- *Hudson, C., Sabbagh, M. A., & Harkness, K. L. (2021, June). Theory of Mind Matters: Social Outcomes of Individual Differences in Theory of Mind. Paper presented at the American Psychological Society conference, virtual.
- *Rowe, J. & Harkness, K. L. (2021, March). Differential Associations Between Paternally- and Maternally-Perpetrated Maltreatment and Later Risk for Physical and Sexual Re-Victimization. Paper presented at the Canadian Stress Research Conference, virtual

- *Kinsman, L., *Shamblaw, A. L., & Harkness, K. L. (2021, May). *Anxiety symptoms moderate response to social stress in depression*. Poster presented at the Canadian Stress Research Summit, virtual.
- Green, H., Daoust, A., Vandermeer, M., Liu, P., Stanton, K., Harkness, K. L., & Hayden, E. (2021, June). *Self-referential processing moderates the link between parent and youth internalizing symptoms during the COVID-19 pandemic*. Poster presented at the American Psychological Society conference, virtual.
- *Shamblaw, A. L., Reznik, S. J., Rumas, R., & Harkness, K. L. (2021, March). *The effect of social stress on behavioral and neurophysiological indices of motivation in depression*. Paper presented at the Anxiety and Depression Association of America annual conference, virtual.
- Green, H., Daoust, A., Vandermeer, M., Liu, P., Stanton, K., Harkness, K. L., & Hayden, E. (2021, March). *Stable early behavioral inhibition predicts within-person variability in adolescents' internalizing symptoms during the COVID-19 pandemic*. Poster presented at the Canadian Stress Research Conference, virtual.
- Daoust, A. R., Green, H., Vandermeer, M.R.J., Stanton, K., Harkness, K., Hayden, E. P. (2021). *Pre-pandemic cortisol reactivity predicts youths' trajectories of internalizing symptoms during the COVID-19 pandemic*. Poster presented at the Canadian Stress Research Conference, virtual
- Liu, P., Daoust, A., Vandermeer, M., Stanton, K., Harkness, K., & Hayden, E. (2021). *Default mode network resting-state functional connectivity predicts COVID-19-related concerns in youth*. Poster presented at the Society for Research in Child Development, virtual.
- Daoust, A., Stanton, K., Vandermeer, M., Harkness, K., & Hayden, E. (2021). *Measuring Parents' and Children's Responses to the COVID-19 Pandemic*. Poster presented at the Society for Research in Child Development, virtual.
- Harkness, K. (October 24, 2020). *Childhood Maltreatment and Treatment Considerations in Major Depression*. Talk presented at the Canadian Psychiatric Association annual meeting (virtual).
- Harkness, K. (October 24, 2020). *Childhood Maltreatment, Glucocorticoid Receptor Gene Expression, and Hippocampal Volumes in Major Depression*. Talk presented at the Canadian Psychiatric Association annual meeting (virtual).
- Lam, R., Chakrabarty, T., Harkness, K., & Hassel, S. (October 24, 2020). *A Translational Approach to Understanding Childhood Maltreatment in Adult Depression: Lessons from the Canadian Biomarker Integration Network in Depression (CAN-BIND)*. Talk presented at the Canadian Psychiatric Association annual meeting (virtual).
- *Squires, S., Milev, R., Bagby, M., Kennedy, S., & Harkness, K. (October 24, 2020). *Childhood Maltreatment and Adolescent/ Adulthood Depression: Using Structural Equation Modelling to investigate maltreatment type specificity with depression symptom dimensions measured by the Hamilton Depression Rating Scale and Beck Depression Inventory*. Poster presented at the Canadian Psychiatric Association annual meeting (virtual).
- Harkness, K. L. (November, 2019). *Using Neurobiological Methods to Understand Childhood Adversity: Identifying Underlying Contributors to Psychopathology*. Talk presented at the Association for Behavioral and Cognitive Therapies. Atlanta, GA.
- *Cunningham, S., Mazurka, R., Milev, R., Wynne-Edwards, K. E., Poppenk, J., & Harkness, K. L. (November, 2019). *Childhood Maltreatment, Stress Reactivity, and Reward Responsivity in Major Depressive Disorder*. Talk presented at the Association for Behavioral and Cognitive Therapies. Atlanta, GA.
- *Stewart, J. G., *Mazurka, R., Milev, R., Wynne-Edwards, K. E., & Harkness, K. L. (September, 2019). *Trait rumination predicts glucocorticoid reactivity to and recovery from acute stress in major depression*. Talk presented at the Society for Research in Psychopathology in Buffalo, NY.
- *Cunningham, S., *Mazurka, R., Wynne-Edwards, K. E., Milev, R., Pizzagalli, D. A., Rotzinger, S., Kennedy, S., & Harkness, K. L. (September, 2019). *The relation between biological stress reactivity and behavioural reward responsivity in major depressive disorder*. Poster presented at the Society for Research in Psychopathology in Buffalo, NY.
- *Hudson, C., *Squires, S., Zamyadi, M., Hassel, S., MacQueen, G., Strother, S., Rotzinger, S., Kennedy, S., & Harkness, K. L. (September, 2019). *Resting-State Functional Connectivity of a Theory of Mind Network and Theory of Mind Decoding in Individuals With and Without Depression*. Poster presented at the Society for Research in Psychopathology in Buffalo, NY.
- *Shamblaw, A., *Rumas, R., Reznik, S. J., & Harkness, K. L. (September, 2019). *The Impact of Acute Stress on Behavioral and Neurophysiological Indices of Motivation in Individuals with Depression*. Poster presented at the Society for Research in Psychopathology in Buffalo, NY.
- *Squires, S., Poppenk, J., Zamyadi, M., Hassel, S., MacQueen, G., Strother, S., Milev, R., Kennedy, S., & Harkness, K. L. (September, 2019). Poster presented at the Society for Research in Psychopathology in Buffalo, NY.

- Harkness, K. L. (February, 2019). *Childhood Maltreatment, Glucocorticoid Receptor Gene Expression, and Hippocampal Volume in Depression*. Paper presented at the annual meeting of the Canadian Biomarker Network in Depression, Toronto, ON.
- *Cunningham, S., *Goff, C., Bagby, R. M., & Harkness, K. L. (2018, September). *Childhood maltreatment and re-victimization in adolescence*. Poster presented at the Society for Research in Psychopathology in Indianapolis, IN
- *Squires, S., Poppenk, J., Hassel, S., MacQueen, G., Strothers,....Harkness, K. L. (2018, September). *Prefrontal Cortex and Amygdala Functional Connectivity as a Mediator in the Relation Between Childhood Maltreatment and Adulthood Major Depressive Disorder*. Poster presented at the Society for Research in Psychopathology in Indianapolis, IN
- *Hudson, C. C. & Harkness, K. L. (2018, November). *Theory of mind decoding and stress exposure in depression*. Presented at the Association for Behavioral and Cognitive Therapies 52nd Annual Convention in Washington, DC.
- *Hudson, C. C., *Cunningham, S. & Harkness, K. L. (2018, September). *Theory of mind and reward learning in depression*. Poster presented at the Society for Research in Psychopathology in Indianapolis, IN.
- *Shamblaw, A. L., Reznik, S. J., Best, M. W., Rumas, R., & Harkness, K. L. (2018, October). *The impact of acute social stress on frontal EEG alpha asymmetry in individuals with Major Depressive Disorder*. Poster presented at the annual meeting of the Society of Psychophysiological Research, Quebec City, Canada
- *Inness, B. E., *Shamblaw, A. L., Cardy, R., Micanovic, N., Harkness, K. L., Groll, D. L., & Prost, E. (2018, May). *Birth stress and maternal attachment: The role of postpartum depression and general attachment*. Poster presented at the Department of Psychiatry Research Day, Kingston, ON, Canada
- Harkness, K. L. & Hassel, S. (November, 2017). *Childhood Maltreatment, Markers of Neuroinflammation, and Hippocampal Volume in Relation to Anti-Depressant Treatment in CAN-BIND1*. Paper presented at the annual meeting of the Canadian Biomarker Network in Depression, Toronto, ON.
- Cunningham, S. (November, 2017). *Hippocampal Volume and Anhedonia in Depression: Preliminary Results from CAN-BIND4*. Paper presented at the annual meeting of the Canadian Biomarker Network in Depression, Toronto, ON.
- *Shamblaw, A. L., Cardy, R., *Doan, N., Harkness, K. L., & Prost, E. (November, 2017). *A Meta-Analysis on the Association Between Abuse and Prenatal Depression*. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Meeting, San Diego, CA.
- *Hudson, C. C., Hall, L., Harkness, K. L. (November, 2017). *Prevalence, incidence, and factors associated with unipolar depressive disorders in individuals with autism spectrum disorder: A systematic review and meta-analysis*. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Meeting, San Diego, CA.
- Harkness, K. L. (November, 2017). *Assessing and modeling stress processes in suicide and depression*. Symposium (invited discussant) presented at the Association for Behavioral and Cognitive Therapies Annual Meeting, San Diego, CA.
- *Hudson, C. C., *Shamblaw, A. L., Sabbagh, M. A., Harkness, K. L. (September, 2017). *A model of interpersonal dysfunction in depression: The relations among theory of mind, excessive reassurance seeking, and interpersonal stress*. Poster presented at the Society for Research in Psychopathology annual meeting. Denver, CO.
- *Cunningham, S., *Mazurka, R., Wynne-Edwards, K. E., Milev, R., Kennedy, S., & Harkness, K. L. (September, 2017). *Domains of functioning within anhedonia and depression*. Poster presented at the Society for Research in Psychopathology annual meeting. Denver, CO.
- *Shamblaw, A., *Cardy, R. E., Prost, E., Skyes, G., *Inness, B., *Micanovic, B., & Harkness, K. L. (September, 2017). *The relation between perinatal depression and maternal attachment*. Poster presented at the Society for Research in Psychopathology annual meeting. Denver, CO.
- Harkness, K., *Mazurka, R., Foster, J., MacQueen, G., Lam, R., Milev, R., Ravindran, A., Frey, B., & Kennedy, S. (September, 2017). *Childhood Maltreatment and Proinflammatory Markers in Major Depression*. Paper presented at International Society for Psychoneuroendocrinology annual meeting, Zurich, Switzerland.
- *Mazurka, R., Wynne-Edwards, K., & Harkness, K. (September, 2017). *Interaction of Childhood Maltreatment and Polymorphisms of the FKBP5 Gene on the Cortisol Response to Stress in Adolescents*. Paper accepted for presentation at International Society for Psychoneuroendocrinology annual meeting, Zurich, Switzerland.
- Lamontagne, S. J., Olmstead, M. C., & Harkness, K. L. (June, 2017). *Research Domain Criteria (RDoC) as a Framework for Translational Research*. Poster presented at the Canadian Society for Brain, Behavioural, and Cognitive Sciences, Regina, SK.
- Mazurka, R., Wynne-Edwards, K. E., & Harkness, K. L. (June, 2017). *The cortisol response to stress: Gender differences*. Poster presented at the CIHR Canadian Student Health Forum.

- Harkness, K., Wynne-Edwards, K., Foster, J., Rotzinger, S., & Kennedy, S. (May, 2017). *The role of childhood maltreatment in depression: Overview of the literature and insights from the CAN-BIND program*. Paper presented at the Society for Biological Psychiatry annual meeting, San Diego, CA.

INVITED KNOWLEDGE TRANSLATION/MOBILIZATION

- September 15, 2019. *How to be a (good) mentor*. Invited professional development lecture at the Society for Research in Psychopathology annual meeting. Buffalo, NY.
- March 15, 2019. *Childhood maltreatment and depression*. Invited lecture to CAN-BIND Family and Friends Day. Toronto, ON
- March 20, 2018. *Stress and Mental Health*. Invited lecture to the Mental Health Action Committee, Queen's University.
- March 15, 2017. *The Victimized Child and Risk for Mental Illness: Biopsychosocial Mechanisms and Policy Implications*. Invited plenary to the 39th Annual Banff International Conference on Behavioural Sciences.
- June 21, 2016. *Searching for the Causes of Depression*. Invited talk to the Women's Giving Circle, University Hospitals Kingston Foundation.
- Jan. 15, 2016. *The Neuropsychology of Depression*. Invited lecture to Queen's medical students as part of Queen's Talk on Neuropsychology and Psychiatry (QTNP).
- Jan. 22, 2016. *Depression*. Invited lecture as part of 'Psychology for Psychiatrists' series. Kingston, ON.
- Nov. 22, 2015. *Understanding Depression*. Invited public lecture as part of the 'Got your Back' campaign. Kingston Public Library.
- March, 2013. *The Burden of Depression in Women*. Invited Talk to the Ban Righ Women's Centre, Queen's University.
- May, 2012. *Symptoms and Causes of Depression*. Invited talk as part of the Mental Health Panel sponsored by Kingston General Hospital.
- Jan. 2012. *Blue Sky Project: Addressing the Burden of Depression in Adolescents and Young Adults*. Invited Keynote address at the Dean's Honour Reception, Queen's University.
- May, 2012. *The 'Epidemic' of Mental Illness in Post-Secondary Education: Implications for Academic Accommodations*. Invited Keynote Lecture to the High Incidence Disabilities in Higher Education Conference, Toronto, ON.
- Oct. 2012. *Accommodating Students with Depression and Anxiety in Post-Secondary Settings*. Invited Talk to the Assessment and Resource Centres Conference, Huntsville, ON.
- Oct., 2010. *Child Maltreatment and Depression in Adolescence*. Research presentation given to the multi-disciplinary staff at the Frontenac Children's Aid Society.
- Nov., 2010. *The Blue Sky Initiative: Addressing the Burden of Early-Onset Depression in Primary Care*. Research presentation

given to the physicians of the Kingston Family Health Team.

- Nov., 2010. *Blue Sky Project: Addressing the Burden of Early-Onset Depression*. Research presentation given to multi-disciplinary staff at Health Counseling and Disability Services, Queen's University.
- Nov., 2007. *Trauma and repressed memory*. Educational presentation to the department of German.
- Oct., 2005: *Recognizing the Signs of Adolescent Depression* Educational Presentation to the Foster Parents Association of Ontario Annual General Meeting.
- April, 2004: *Adolescent Depression*. Educational Presentation to Child and Youth Wellness Centre of Leeds and Grenville.
- Oct., 2004: *Recognizing the Signs of Adolescent Depression*. Educational Presentation to the Foster Parents Association of Ontario Annual General Meeting.
- Jan., 2003: *Recognizing the Signs of Teen Depression*. Educational Presentation to Kingston Learning Disabilities Association.
- Feb., 2003: *Recognizing the Signs of Major Depression: Depression in the Military Context* Educational Presentation to Kingston Family Military Resource Centre: ""
- April, 2003: *Adolescent Depression*. Educational Presentation to Child and Youth Wellness Centre of Leeds and Grenville.
- Oct., 2003: *Making a Difference in Depression: Considerations for Educators*. Educational Presentation to the Limestone District School Board.
- Jan., 2002: *Recognizing the Signs of Teen Depression*. Workshop leader for Kingston Learning Disabilities Association.
- Mar., 2002: *Recognizing the Signs of Major Depression: Depression in the Military Context*. Educational Presentation to Kingston Family Military Resource Centre.
- Jan., 2002: *Adolescent Depression*. Educational Presentation to Child and Youth Wellness Centre of Leeds and Grenville.

TEACHING AND SUPERVISION

Teaching Awards:

- 2011 Psychology Graduate Teaching Award
2006 Psychology Undergraduate Teaching Award

Undergraduate teaching:

- 2017-2023: PSYC336 – Advanced Adult Clinical Psychology (125 students; course developer)
2012-2017: PSYC501 – Honour's Thesis (50 students; course coordinator)
2010-2020: PSYC570/575 – Directed Reading/Lab (1-3 students per year directly supervised)
2000-2020: PSYC437 - Advanced Topics in Mood Disorders (25 students; course developer)
2000-2004: PSYC235 - Abnormal Psychology (450 students)

Graduate teaching:

- 2001-2019: PSYC847 - Treatment Theory and Process (5-18 students; course developer)
2002-2015: PSYC951 - Advanced Cognitive-Behavioural Therapy (5-12 students; course developer)

Post-Graduate teaching:

- 2015-2016: Research methods seminar for Child and Adolescent Psychiatry residents
2016: Guest lecture for 'Queen's Talk on Neuropsychology and Psychiatry' for medical students
2013: Guest lecture for 'Psychology for Psychiatrists' for Psychiatry residents

Post-Doctoral Fellows:

- Matthew Vandermeer, Ph.D.
Nazanin Alavi, M.D. Current Position: Associate Professor, Department of Psychiatry, Queen's University

Master's and PhD Students (Primary Supervisor):

- 2002-2007: Lumley, M. N.
M.S. Title: *Childhood Adversity, Early Maladaptive Schemas, and Anxious Versus Anhedonic Symptom Expression in Adolescence*. (Published in *Cognitive Therapy and Research* [2007])

Ph.D. Title: *Cognitive Organization of Schemas and Recollections as a Mechanism Translating Childhood Maltreatment into Young Adult Depression*. (Published in *Cognitive Therapy and Research* [2009]).

Current position: Tenured Associate professor, Department of Psychology, University of Guelph.

2002-2008: Lee, L.

M.S. Title: *Theory of Mind and Clinical Depression: The Relationships Between Depression Severity and Mental State Recognition*. (Published in *Journal of Affective Disorders* [2005])

Ph.D. Title: *Dimensions of Perfectionism and Life Stress: Predicting Symptoms of Psychopathology*. (Published in *Journal of Social and Clinical Psychology* [2016]).

Current position: Clinical Psychologist, Dr. Lee & Associates, London, ON.

2004-2006: Bulmash, E. L.

M.S. Title: *Personality, Stressful Life Events, and Treatment Response in Major Depression*. (Published in *Journal of Consulting and Clinical Psychology* [2009])

Current Position: Talent Development Manager, Nicola Wealth, Vancouver, BC.

2007-2013: Stewart, J. G.

M.S. Title: *The Impact of Efficacious Treatments for Major Depressive Disorder on Remission Rates of Specific Symptoms: A Re-Analysis of the Treatment of Depression Collaborative Research Program*. (Published in *Journal of Affective Disorders* [2012])

Ph.D. Title: *Testing an Integrated Interpersonal Theory of Depression: The Role of Dysphoria, Negative Relationship Cognitions and Excessive Reassurance-Seeking in Predicting Rejection*. (Published in *Journal of Social and Clinical Psychology* [2015] and *Journal of Clinical Psychology* [2016]).

Current position: Tenure-track Assistant Professor, Department of Psychology, Queen's University

2013-2016: Pishva, R. (2016).

Ph.D. Title: *Becoming Therapeutic Agents: A Grounded Theory of Mothers' Process when Implementing Cognitive Behavioural Therapy at Home with an Anxious Child*.

Current position: Clinical Psychologist, Ottawa Centre for Resilience, Ottawa, ON

2010-2018: Larocque, C. L.

M.S. Title: *Childhood Maltreatment and Stress Sensitization in Depression: Moderation by Age Group and Depression History*. (Published in *Journal of Adolescence* [2014])

Ph.D. Title: *A Randomized Controlled Trial of Bikram Yoga and Aerobic Exercise in the Treatment of Depression*. (Published in *Journal of Affective Disorders* [2020])

Current position: Clinical Psychologist and Product Developer, Haleo Virtual Therapy Clinic

2010-2018: Washburn, D.

M.S. Title: *Theory of Mind Decoding and Reasoning Abilities in Depression, Social Phobia, and Comorbid Conditions*. (Published in *Journal of Anxiety Disorders* [2016])

Ph.D. Title: *Negative Feedback-Seeking and the Generation of Interpersonal Stress in Depression*. (In preparation for publication)

Current position: Clinical Psychologist, Barr Rehabilitation, Kingston, ON

2011-2020: Mazurka, R.

M.S. Title: *Interaction of Polymorphisms in the FKBP5 Gene and Childhood Adversity on the Cortisol Response to a Psychosocial Stress Task in Adolescents and Young Adults*.

Ph.D. Title: *HPA Axis Reactivity in Depression: Relation of Childhood Maltreatment, Affect Lability, and Testosterone*. (In preparation for publication)

Current position: Post-doctoral fellow, Linkoping Institute, Sweden.

2013-2020: Shamblaw, A.

M.S. Title: *Maternal Depression and Children's Theory of Mind Understanding*. (Published in *Social Development* [2019])

Ph.D. Title: *The Impact of Acute Social Stress on Approach and Avoidance Motivation in Individuals With Depression*.
(Under review for publication)
Current position: Post-doctoral fellow, University of Toronto, Toronto, ON.

2015-2021: Cunningham, S.

M.S. Title: *Childhood Maltreatment and Mechanisms of Vulnerability within Anhedonia and Depression*. (Published in *Journal of Affective Disorders* [2021]))

Ph.D. Title: *Temporal Stability of Cortisol Reactivity to Stress and Reward Responsivity*. (Defended July 2020)

Current position: Psychologist, Corrections Canada, Kingston, ON

2015-2021: Hudson, C.

Ph.D. Title: *Behavioural Manifestations and Social Outcomes of Individual Differences in Theory of Mind*. (Submitted for publication)

Current position: Assistant Professor, Virginia Tech, Blacksburg, VA

2017-2019: Squires, S.

M.S. Title: *Specificity in the Relations of Types of Childhood Maltreatment to Symptom Factors in Depression*. (In preparation for publication)

Current position: PhD student, Centre for Neuroscience Studies, Queen's University (supervisor: R. Milev)

2019-present: Rowe, J.

M.S. Title: *Mechanisms Relating Childhood Maltreatment and Depression: Changes in Cortisol Reactivity and Hippocampal Volume*. (Accepted for publication in *JoPaCS*).

Current position: PhD student, Department of Psychology, Queen's University (primary supervisor)

2020-present: Min, J.

Ph.D. Title: *Cognitive Biases as Adaptations to Social Threat*. (anticipated defense Summer 2024)

2020-present: Gallagher, A.

M.S. Title: *Egocentric Bias and Theory of Mind in Depression*. (in preparation for publication)

Current position: PhD student, Department of Psychology, Queen's University (primary supervisor)

2022-present: Brehaut, E.

M.S. Title: *Stressful Life Events Distinguish Recurrent Versus Non-Recurrent Subgroups in Depression*. (anticipated defense Summer 2024)

2022-present: Elaneh, E.

M.S. Title: *The Structure of Theory of Mind in Depression*. (anticipated defense Summer 2024)

Undergraduate Honour's Students: [current position noted in brackets if known]

2000-2001

Bishop, C. Childhood Adversity, Life Difficulties and Severity of Depression

Kelly, E. Family History of Psychopathology as a Risk Factor for Major Depression: What is the Role of Childhood Adversity?

Schulte, F. The Relationship Among Depression, Personality, and Risk-Taking Behaviour [Assistant Professor, Dept. of Oncology, U. Calgary]

2001-2002

Zakher, B. An Examination of the Relationships Among Social Support, Depression, and Gender

Bromley, K. Effect of Personality and Social Support on Depression Severity in Adolescents

Chen, T. The Effect of Mood on Perceptual Tasks

2002-2003

Bruce, A. The Relations Among Childhood Adversity, Interpersonal Stress, and Severity of Adolescent Depression [Adjunct Professor, Vanderbilt University]
Lackie, J. Dysphoria and Theory of Mind. [Business Analyst, Canadian Centre for Cyber Security]
Cummings, J. The Role of Coping Strategies in the Relation Between Child Abuse and Adolescent Depression [Associate Professor, Dept. of Psychology, U. Saskatchewan]

2004-2005

Welsted, A. Mental State Decoding Abilities in Women with Remitted Unipolar Depression [Clinical, Health and Rehabilitation Psychologist, Hebert & Associates, Ottawa]
Seeds, P. Differential Effects of Peer Versus Parental Victimization on the Development of Adolescent Depression as Moderated by Perceived Social Support [Clinical Lecturer, Dept Psychology, U Waterloo]

2005-2006

Opre, K. The Influence of Personality on the Relation between Childhood Adversity and Depressive Outcome
Dobrowolski, S. Stressful life events and differential treatment response to psychotherapy versus pharmacotherapy in Major Depressive Disorder [Founder and CEO, Rising Academy Network, Sierra Leone]

2021-2022

Bujold, A. Childhood maltreatment and sexual re-victimization: Mediating role of sexual self-schemas [Research coordinator, Queen's University, Kingston, ON]

2022-2023

Rowed, G. The Characteristics of Sexual Victimization in Sexual Minority Women.

Gadkar, D. Age at Menarche and Sexual Debut Mediate the Relation of Childhood Maltreatment to Sexual Re-Victimization in Women.

Research Associates/Assistants:

Since 2000 I have directly supervised 25 contract post-baccalaureate research associates. The majority of these students have gone on to pursue graduate work in Psychology

Since 2000 I have directly supervised approximately 450 volunteer undergraduate research assistants.

MAJOR SERVICE POSITIONS

2021-2025: Head, Department of Psychology, Queen's University [Chair, Priorities and Procedures Committee; Chair, Department Committee; Chair, Appointments Committee]
2022-2024: Member, Faculty of Arts and Science Budget Advisory Committee to the Dean
2022-2024: Member, Faculty of Arts and Science Committee of Departments Advisory Committee to the Dean
2021-ongoing: Executive Board, Canadian Biomarker Integration Network for Depression (CAN-BIND)
2021-2023: President, Society for Research in Psychopathology (elected)
2021-2025: Chair, Clinic Steering Committee, Queen's University
2021: Member, selection committee for Editor, *Journal of Psychopathology and Clinical Science*
2020-2022: Chair, Post-COVID Mental Health Recovery Project, Queen's University
2020-2022: Chair, Indigenous Art Project, Department of Psychology, Queen's University
2019-2020: Founder and Chair, Diversity, Equity, Decolonization and Inclusion (DEDI) Committee, Dept of Psychology
2013-2019: Treasurer, Society for Research in Psychopathology (elected)
2013-2019: Executive Board, Society for Research in Psychopathology (elected)
2016-2019: Chair, Space Committee, Department of Psychology
2018-2019: Acting Head, Department of Psychology
2015-2018: Queen's University Peer Research Consultant Committee
2015-2018: Equity Representative, Renewal, Tenure, and Promotion Committee (elected)
2015-2018: Equity Representative, Appointments Committee (elected)
2013-2014: Member, Queen's University General Research Ethics Board
2013-2014: Queen's University Senate member (elected)
2012-2014: Member, Renewal, Tenure, and Promotion Committee (elected)
2012-2014: Member, Appointments Committee (elected)
2008- 2012: Chair, Clinical Psychology Program (i.e., Director of Clinical Training)
2008- 2012: Chair of Clinical Comprehensive Committee
2008- 2012: Member of Graduate Committee
2008- 2012: Member of Priorities & Procedures Committee
2002-2006: Associate Director of Clinical Training, Department of Psychology
